PREFACE

The following is a compilation of words from the Imperial Regent of the returned Messiah Lord RayEl:

The reason people ask me certain questions, is because I am the Regent of Lord RayEl, and in my position, I am privy to information unavailable to the general public.

When something is available from public source documentation, I happily provide the data. When it is not publically available, I can only provide my personal knowledge on a given subject.

...we agree that "faith" alone has been used by hucksters throughout history, to con the uneducated masses. This is why we provide undeniable proof.

I'll assume you've watched the 2 hour [Wikileaks video](#), so now you should watch the [original videos in order](#), that have accurately chronicled the time since Lord RayEl's arrival. Each one has a YouTube upload date, so you know that Lord RayEl made his threats BEFORE the events were carried out.

Second, you should study the Torah Codes discovered by Cardinal [Richard Ruff](#). There are over 400 mathematically provable codes, that confirm Lord RayEl is the Messiah. Some of these have odds of over a billion to one against random chance, and are therefore considered a scientifically quantifiable fact, and are easy to independently verify yourself: <http://www.torah-codes.net>

The discovery of these codes are themselves a fulfillment of Biblical prophecy.

Daniel 12:4

"But you, Daniel, roll up and seal the words of the scroll until the time of the end. Many will go here and there to increase knowledge."

And finally, our main website is a great resource for finding answers to the most commonly asked questions: www.LordRayEl.org

So, if proof is what you want, proof is what you shall have.

CHAPTER 1

THE ANNUNAKI, TECHNOLOGY, & OTHER CELESTIAL RACES

* The Annunaki are the ones that began civilization on Earth, by creating Man with part of their own DNA. And yes, Man was initially created as a goldmining slave.

The Annunaki then upgraded Man to become sentient, and gave him this world to have dominion over.

The Reptilians then came to Earth, and they have secretly enslaved Man ever since. The Annunaki have returned to free Man from this bondage.

* ...there was a lot of Pleiadian seeding in the Nordic lines, but since the Pleiadians and Annunaki are essentially the same base race, there isn't a lot of difference.

If you are Rh-, you have a direct connection to the Annunaki. If you are Rh+, your line is one of the created lines.

* High IQ, eyes in the hazel, blue to green spectrum, industrious/innovative, protective of family, very high ethical and moral code, physically attractive (though this is of course in the eye of the beholder).

But again, one should not assume that any of these traits denote "superior" genetics, because the infusion of other seeder groups has made such an assumption impossible.

There's an old saying... "What you are is God's gift to you. What you make of yourself is your gift to God."

* Because the body affects the spirit.

A man born in Iceland is different than a man born in Africa. These differences affect how a person will be embraced by those around him.

Each world that created seedlines here, wanted to harvest souls that would fit into their world's homogenous culture.

Since mixed seedlines have learned to live harmoniously together here (occasionally), then this world will be used for mixed seeds that are found worthy.

* Annunaki teleportation technology isn't quite the same as what you've seen on Star Trek.

The Annunaki are masters of transphasic technology, which is the science of changing the molecular vibration of an object, so it can operate within the laws of a different phase... I'll explain.

If you wanted to transport from the planet to an orbiting ship, a transtator beam would vibrate your body at the molecular level, taking you out of phase with your surroundings, this allows you to pass through solid matter. A second magnetic (tractor) beam would lock onto the magnetic poles of your molecules.

The magnetic beam lifts and delivers you to the waiting ship, where a third transtator beam returns your vibration to its original phase.

We often use a variation of this that doesn't change the phase of the person, but instead changes the phase of anything the person passes through during transport.

* The Galactic Federation of Light (GFL) just takes UFO footage and claims it for themselves. The UFO wave that is now filling your skies, came right after Lord RayEl announced their imminent arrival, so those ships are NOT GFL, they are Annunaki ships, under Lord RayEl's command.
...our Lord wants you to love and learn, but this is also the time of judgement, so there will be fear in the hearts of those who are not worthy.

* Enki stayed after Enlil left, so history recorded his version of events, but it was Enki that caused the worker revolt, so that the necessity of creating slaves would arise, then Enki made the slaves in such a way, that they would be part Annunaki, and thus, an obligation to preserve them was forced upon the Annunaki. And why did Enki do all of this? Because he wanted to create a kingdom on Earth for himself, with obedient slaves. Hardly humanity's hero.

Enlil was the responsible one, he was the one against creating a retarded version of the Annunaki, simply to enslave them, his decisions were based on morality and mercy. Once there was no turning back, it was Enlil who nurtured humanity along its path to sentience.

2 Timothy 3:1-3 Is absolutely today's world

- What are angels?

"Angel" is an occupational designation within the Annunaki Empire. There are people who have volunteered for angelic duty from many races within the Empire.

* Transtator technology is behind our interstellar communications, and the way in which our ships travel faster than light.

The visible light spectrum you all see, is only the smallest fraction of light's full spectrum, and at different levels in the light spectrum, light travels at different speeds.

We change the phasic state of a wave or an object, to match the vibration of these higher levels, and then we can move an object within those physical laws of speed. When we return to this phase, we've, by relativity, traveled farther and faster than the speed of light in this spectrum.

* ***What are Reptilians?***

The Reptilians are the armies of Satan, and the Anunnaki fleet has arrived to assist Lord RayEl remove Satan and his legions from Earth.

* ***Reptilian cloaking technology***

Eyes and teeth are quickly covered and uncovered by lids and lips. The visual masking device the Reptilians use, sometimes has a short lag time because of the rapid lid and lip movement. It's basically a system glitch. This is why in the old days, commoners were forbidden to look royalty in the eyes.

Everything is energy, and when broken down to its base form, one could call it a hologram.

* Almost every public figure is either Reptilian, or under Reptilian control. This has been a very large operation, and influencing/educating the masses has been their priority one, so they have left nothing to chance.

*** *The Nephilim***

The Nephilim were the giants, they were crossbreeds between Annunaki men, and Earth women.

Genesis 6:1-4 When man began to multiply on the face of the land and daughters were born to them, the sons of God saw that the daughters of man were attractive. And they took as their wives any they chose. Then the Lord said, "My Spirit shall not abide in[a] man for ever, for he is flesh: his days shall be 120 years." The Nephilim were on the earth in those days, and also afterwards, when the sons of God came in to the daughters of man and they bore children to them. These were the mighty men who were of old, the men of renown.

*** *Are mermaids real?***

- Mermaids exist, in fact there have been a number of recent sightings around Israel, but the show on Animal Planet was an admitted fictional reproduction.

([July 16th, 2015](#))

- They are the same people who gave the Dogon Tribe their understanding of astronomy.
- They are a race from the Sirius system called "Nommos".
- They are Anunnaki by citizenship, since they are part of the empire, but not by race.

*** *Yeshua's imprint on the Shroud of Turin***

The imprint on the shroud was caused by the old style transporters the Annunaki used. Back then they were not used on living things, only for transporting cargo, because the process of molecular acceleration used to make an object change its phasic state, allowing it to pass through another object, caused the accelerated object to heat up considerably. As most of you know from basic physics, molecular acceleration produces heat, hence the scorching of the shroud. Fortunately the modern transporters use a cool-beam technology.

...the acceleration process does release light.

And no, there is no published information on the cool-beam method the Annunaki uses... At least not yet.

* ...it is a matter of degrees, but there is a level that is acceptable to the rest of the neighborhood. Man has been quarantined here, so he could reach that level, and not pose a danger to others in this region of space.

In fairness, your species started off from a deficit position, and you've come a long way in a relatively short period of time.

* The Pleiadians are real, they are "cousins" of the Anunnaki, and they have been working on Earth for a long time. Most of their work involved seeding the Nordic lines.
The video is not made by real Pleiadians though.

They are both capable of both good and evil, but they possess an enlightened moral core that drives them to do good.

* Lord RayEl is half Anunnaki, and half Human. His body is Human, but (as we all watched during the Jerusalem Holy Spirit event) his Spirit is Anunnaki.

* Lord RayEl announced "The Armies of Heaven are fast approaching" in the May 21, 2011 address. They were still about 6 months away, traveling toward Earth at high speed.

The majority of the fleet arrived in November through January, and have been parked in orbit by Earth, Mars, and the Sun ever since.

* One must be careful not to turn the Anunnaki into magicians. They are immensely powerful, but they do obey most of the laws of physics. When they needed gold, they dug for it.

* The heaviest Anunnaki and Pleiadian strains are usually found in caucasian lines, but the Reptilians spread their seedline almost everywhere, so there really isn't a good way to differentiate seedlines by sight.

We know how people love to segregate themselves, and assume superiority/inferiority, based on things that don't matter as much as a person's quality of character, so we are saving this for last, so as not to put another reason for discrimination on the table.

* Anunnaki spirit yes, but that doesn't change the fact that his last incarnation on Earth was as a British King.

The reason that the last language on Earth shall be English, is because the Anunnaki speak this as their preferred language. It was introduced and promoted on Earth for this reason.

Zephaniah 3:9 "For then will I turn to the people a pure language, that they may all call upon the name of the LORD, to serve him with one consent."

That's not to say that there aren't other languages in the Empire, but this is the more common tongue.

It was considered too advanced to teach to the primitives during the times of the initial expeditions, so simpler languages were taught.

* Different groups have made individual contacts, but not to create human ambassadors or channels. The Anunnaki run the show on Earth, so no alien group is going to speak unauthorized. Now that Christ is here, everything official comes through us.

* As to the aliens in question, there is no such thing as "interdimensional beings", we all have height, width, and depth, which means that we all occupy 3 dimensional space.

What are described as interdimensional beings, are simply aliens using transphasic technology. This technology allows them to vibrate at different frequencies, thereby removing themselves from your visible light spectrum.

* Time does not exist, it is not a dimension nor a physical construct, it is an artificial metric used for measuring growth and duration. Do not be fooled by physicists with unquantifiable theories. Gravity is simply magnetism, and localized gravitational fields can interrupt the pull of the Earth's field. The NSA conducts covert operations of this nature, as a branch of the U.S. Intelligence infrastructure, they engage in both active and responsive projects under the umbrella of National Security. The FBI is a law enforcement agency.

* Some have asked about why seedline mixing was so hated among the ancients? As we've explained, the groups that seeded this world, wished to harvest matured souls at the end of this process, and return them to their worlds. Their worlds are homogenous, so as to keep them peaceful, and here is an example of why they prefer a homogenous society.

Iceland is one of the most homogenous societies on Earth, and a society that carries some of the strongest concentrations of Annunaki/Pleiadian seedlines.

It is modern, peaceful, and nearly free of violent crime.

Unfortunately, racism does creep into homogenous societies, but it is also in non-homogenous societies, the difference being that in non-homogenous societies, racism often leads to violence.

Don't worry, a good soul is a good soul, and that is the criteria by which residency in the New Kingdom shall be judged.

* The Annunaki were somewhat like humanity at one time, but they will better explain their history later. God is divine, but Man doesn't fully understand what that means.

The Bible never says that God created the universe. He created the Heavens and the Earth. Heavens are settled planets within the Empire, as Earth shall soon be.

Satan is not God's enemy, Satan is Man's adversary.

There are other rulers of planets, but they are part of the Council of the Empire.

Yes, Lord RayEl can and will save the world.

The Empire is vast, but the Council exists because of different ideologies. There are worlds outside of the Empire, but I don't personally know of anyone desiring to be among them.

The Empire is mostly centered in this galaxy, but there has been tremendous expansion recently. I really should leave it to them to explain fully.

* Once souls have reached a safe level of sentience, maturity, and enlightenment, they are allowed to join the greater communion of worlds.

The people of Earth (those who have reached this level), are about to graduate into this communion.

* There is a cooperative agreement between all of the seeders, but the original plan was to segregate the seed-lines, so the harvest would be simple. Mature souls from each seed-line would just go back to their home world, but the mixing of seed-lines has forced other options.

* As anyone who has studied the history of the gods knows, the Anunnaki were/are very incestuous, which is why today's royal families are so incestuous. BUT... The Anunnaki see people as spirits, not bodies, to them the body is only a suit that can be easily changed, so to them it isn't incest like humans see it.

* Actually, we are debating which form of transportation to use at the moment. If things are still relatively calm, then we will just use standard transportation, but if things are really bad, the Annunaki fleet is on standby.

And you will all have the opportunity to meet and work alongside Lord RayEl at the Ops Center.

* Triangles are the easiest shape to create and maintain with force fields when ships gate through stars.

The biggest hassle for moving ships through interstellar space is fuel storage, but when using stars as "gas stations", one can fuel up at one star, and use that fuel to travel to the next star, so travel then becomes quite efficient.

Generally, the only fuel stored when "gating", is the fuel that will be used while traveling at the destination system. When ready to travel to the next star, the course is plotted, a rather large thrust is engaged, and because of the relatively low drag of space, it is like riding a bullet from one star to the next.

This method is not the same as subspace (warp) travel, which takes a ship into a higher spectral bandwidth, allowing it to reach near-light speed in that bandwidth, and faster than light speed (relative) in this bandwidth.

*Black people are part Anunnaki, but "Humans" came later.

The original creations were called "Man", but when the Reptilians took over the project, they infused their DNA into parts of the population, creating HU-Man (HU is an ancient word for serpent gods).

Man and HU-Man later intermixed naturally, creating "human beings", which were considered monsters by early society. Enki wanted to keep black people as slaves, so he refused to give them enough Anunnaki DNA to evolve them genetically, so the only way to get more of the Anunnaki DNA, was to integrate black people into Western societies, where natural intermixing increased the infusion of Anunnaki DNA. If you look at a black man from Canada, compared to one whose family line has never left Africa, you can really see the difference. It was a rough process, but the black man has made it. As disgusting as slavery is, it was the fastest way to force integrate Africans into Western society. There was no other way the white man would have accepted the black man into Western culture at the time... This way, as harsh as it was, both sides gave the other something needed. Because it most closely resembles Anunnaki society. The New Kingdom will closely resemble a modern and matured version of the West. I'm glad to help brother.

Satan does what he does, because God wants him to strengthen Man through adversity, because adversity does build character.

There is of course a limit to that. A child starving to death in an Ethiopian desert isn't learning anything that will make him worthy of the New Kingdom, he is only suffering needlessly... But his suffering is teaching a valuable and terrible lesson to others.

*** *Buddhism***

Buddhism was not handed down from the Annunaki, but from another highly respected seeder group within the Annunaki dominion. Most (not all) of the practitioners of Buddhism, will not stay here after the harvest, but will return to their seeder group.

The exception to this will be Buddhist that accept Christ.

The "harvest" is when this world system ends, and the new world begins. The souls of the people of Earth will be harvested, filtered, and those found worthy, will be given immortality in our Lord's Earthly Kingdom. Those who are not found acceptable, will be removed, and MAY go to another world.

This world will be the Kingdom of Christ our Lord, and just like any kingdom, the subjects (people) must be loyal to their King. If a person rejects Christ, Christ will reject them.

Because other worlds have placed souls on this planet, those souls that have rejected Christ, MAY be sent to one of those other worlds.

Buddhist are generally good people, so if they accept Christ as their Lord and King, and they wish to remain here, if they are found worthy, they will be allowed to stay.

* As most of you know, royal families throughout history have been incestuous, inbreeding and interbreeding for generations. The reason they did and still do it, is because their progenitors, the Anunnaki, were/are prolifically incestuous. Obviously that needs explaining.

The Anunnaki place their essence in a body (just like your soul is in a body), but they recognize the body as being nothing more than a suit, a simple disposable set of clothes, it is the spirit that matters. Because of this, they do not base their affections upon the outer covering of a person, or who that outer covering came out of, they only care about the spirit (consciousness) inside, and since they choose to stay near the people they love, they often create bodies for those spirits within the same family.... That is the Anunnaki way, but because humans don't fully understand the difference between body and spirit, it is not yet your accepted way.

*** Aliens have always been here**

... but those have only been a "monitoring contingent", what arrived shortly after Lord RayEl did was "The Fleet", it is why there are several scriptural references to him leading the "Armies of Heaven".

CHAPTER 2

RELIGIOUS FALSE TEACHINGS

* Christians have felt safe and secure because they have been praying to a false idol, a picture of a man that never questioned them, never told them they were wrong, and always forgave them (in their mind). Even when people learned that the Roman's changed Christ's name, the people still called out for forgiveness in a name that held no forgiveness.

What I'm saying is, the Lord will look upon most of these people and say "I never knew you" (Matthew 7:23).

He will save who he finds worthy, but most Christians, especially those who now reject him, are in for a sad truth.

* Keep something in mind everyone, Lord RayEl has returned precisely as both the Bible and Qur'an predicted, so when anybody disagrees with you, you can show them scripture to back it up.

People have many 'beliefs' about how they 'think' should happen, but you have evidence backed by scripture, all they have is what some televangelist told them.

* *Who is "the antichrist" ?*

There is no "the antichrist". If you read bibles printed before the U.S. NIV, you will see that St. John never described an individual, only a spirit in the world of people being "against Christ". It was the NIV and derivative bibles that included the word "the" before the capitalized "Antichrist", turning John's warning of a bad philosophy, into the warning of an actual person.

Further, you are mixing "false preacher" (never heard of him) with the "second beast", who the same chapter identifies by the number 666. We have identified this beast and his mark here already, and this same beast is responsible for aerial bombing people all over the world, hence the 'raining of fire' done by the second beast.

And notice, there is no "the" before "antichrist", nor is antichrist capitalized as would a personal title be. This Bible does not have the great deception that later American Bibles do. This Bible properly shows that "antichrists" are those who are against Christ, not a single super-villain.

"Anti-Christ", this is a biblical misunderstanding by most Christians.

The King James Bible uses the word "antichrist" exactly 5 times. The Bible tries to explain how people would come to deny the truth of Christ, and that these people had within them a "spirit of antichrist". The Bible was speaking of a false belief system, not an actual person. It wasn't until later Bibles were printed that the word "the" was placed before the word "antichrist", to fool Christians into believing that this was an actual person. Many who preach the Bible claim that the "Beast", or the "Lawless One", or the "Man of Sin", and others, are all a single person who is "the Anti-Christ". Their twisting of John's words is a heresy, and they have caused much confusion among the Christian faithful.

This "great deception" was purposely placed in the minds of Christians, to sow the seeds of doubt and befuddlement, so that upon Christ's return, the faithful would assume treachery, instead of immediately recognizing and embracing their awaited Messiah, because they were sure the evil one would come first. Christians would think the true Christ was instead the Anti-Christ, and they would reject him (and lose their salvation in the process).

But a united faith under Christ, is the goal written of in all of the Abrahamic faiths.

* Nowhere does the Bible say that all eyes will see him AT THE SAME TIME, that is something Christians just added. Lord RayEl's videos are spreading all over the world, and soon, every eye will see him.

* In America, the seat of Satan, you are among the highest concentration of Christians in the world, yet these Christians knowingly call Christ "Jesus", knowing that the name was a Roman replacement name, and violates the commandment not to take the Lord's name in vain.

America has been given over to a strong delusion, and 9.8 times out of 10, when we lose someone, it's an American, so look deeply before abandoning salvation.

New Living Translation (©2007)

2 Corinthians 4:4 Satan, who is the god of this world, has blinded the minds of those who don't believe. They are unable to see the glorious light of the Good News. They don't understand this message about the glory of Christ, who is the exact likeness of God.

EVERYTHING about Lord RayEl is backed up with proof and scriptural evidence.

* ...he doesn't match what YOU believed, but he does match scripture. See, this is the core of the problem with American Christianity, you have all been fed a satanic lie about Christ's return, that has caused American Christians to believe things that are not scriptural. You must guard against this Vince, and ask yourself "am I believing what is written, or am I corrupting the truth with non-biblical beliefs?"

I say this out of love, because I have witnessed far too many Americans lost to this.

**** Satan claiming that he is Lucifer***

Satan has fooled many into believing he is Lucifer, but the Bible clearly tells you that Christ is Lucifer. Lucifer in the Bible is the "Morning Star":

King James Bible- Isaiah 14:12 How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!

New International Version- Isaiah 14:12 How you have fallen from heaven, O morning star, son of the dawn! You have been cast down to the earth, you who once laid low the nations!

Revelation 22:16

"I Jesus have sent my angel to you with this testimony for the churches. I am the root and the offspring of David, the bright morning star."

So as you can see, by Christ's own words, he is Lucifer, not Satan.

The role of Lucifer (Christ) is enlightenment.

Lucifer means "light bearer".

John 8:12 And Yeshua spoke again with them and he said: "I AM THE LIVING GOD, The Light of the world. Whoever follows me shall not walk in darkness but shall find the light of life.

It was all part of the 'great deception' the Bible warned of. Satan making the world think that he was Lucifer.

Satan is the "Prince of darkness". Christ is the "Light of the world".

The casting out of Lucifer is derived from Isaiah 14, but (hold on to your seats here), it is a perfect description of what happened to our Lord when he was here 2000 years ago.

The trick is to read Isaiah 14's "Fall of Lucifer" as a Jew of the period, and see how Christ's time here is perfectly described:

(My comments will be in parentheses)

- Isaiah 14:12-20

12 "How you are fallen from heaven,
O Lucifer, son of the morning!

(We showed above how Christ declared himself the Morning Star {Lucifer} in Revelation 22:16)

How you are cut down to the ground,
You who weakened the nations!

(We all know the history of Christianity's effect on the pagan nations, and how he was "cut down")

13 For you have said in your heart:

'I will ascend into heaven,

(Christ ascended into Heaven)

I will exalt my throne above the stars of God;

(Stars are another term for angels, and Christ's throne is above them)

I will also sit on the mount of the congregation

On the farthest sides of the north;

(We all know of Christ's "Sermon on the mount")

14 I will ascend above the heights of the clouds,

I will be like the Most High.'

(The Bible clearly describes Christ's ascension and likeness to his Father)

15 Yet you shall be brought down to Sheol,

To the lowest depths of the Pit.

(Christ was killed, and descended into Hell before the resurrection)

16 "Those who see you will gaze at you,

And consider you, saying:

'Is this the man who made the earth tremble,

Who shook kingdoms,

17 Who made the world as a wilderness

And destroyed its cities,

Who did not open the house of his prisoners?'

18 "All the kings of the nations,

All of them, sleep in glory,

Everyone in his own house;

(We know the Romans and Jews mocked Christ in this way)

19 But you are cast out of your grave

Like an abominable branch,

Like the garment of those who are slain,

Thrust through with a sword,

Who go down to the stones of the pit,
Like a corpse trodden underfoot.

(Christ was cast out from the grave {obviously Satan wasn't}, stabbed, and Zechariah 6:12 specifically refers to Christ as "the Branch")

20 You will not be joined with them in burial,
Because you have destroyed your land
And slain your people.
and killed your people.

(The Jews rejected Christ and the effect he had against them, and obviously he's not buried with them).

So now you see that this doesn't describe Satan at all, but perfectly describes Christ.
Lucifer means "light bearer".

John 8:12 And Yeshua spoke again with them and he said: "I AM THE LIVING GOD, The Light of the world.
Whoever follows me shall not walk in darkness but shall find the light of life."

* A lot of conversation about people rejecting our Lord... Hopefully this helps.

Keep in mind that the "Jesus" people have worshipped for the past 2000 years, is only a caricature, a picture or an idol people would pray to, that would NEVER tell them they were wrong, evil, or horrible. The people invented a god that would always forgive them, and always tell them that they were right... I'm sure most of you now see this for the delusion it is, and understand now why idol worship and graven images were forbidden.

Now that the real Christ has returned, the people reject him because he demands things of them, he chastises them for being wrong, he doesn't forgive someone who really isn't remorseful or repentant, and he has no tolerance for willful ignorance and stupidity.

The people prefer their fantasy Jesus, and they fight to keep worshipping him, not simply because they reject RayEl, but because they know RayEl will reject them.

"Jesus" was a replacement name for Yeshua, a Roman attempt at removing the true name of power from the lips of Christians.

As for "Anti-Christ", this is a biblical misunderstanding by most Christians. The King James Bible uses the word "antichrist" exactly 5 times. The Bible tries to explain how people would come to deny the truth of Christ, and that these people had within them a "spirit of antichrist". The Bible was speaking of a false belief system, not an actual person. It wasn't until later Bibles were printed that the word "the" was placed before the word "antichrist", to fool Christians into believing that this was an actual person. Many who preach the Bible claim that the "Beast", or the "Lawless One", or the "Man of Sin", and others, are all a single person who is "the Anti-Christ". Their twisting of John's words is a heresy, and they have caused much confusion among the Christian faithful.

It is this type of misinterpretation that Lord RayEl is working to correct. As he recently put it: "While the waters rise to the necks of my children, they are still searching for a single drop of rain!" meaning that instead of guarding themselves from the dangers of a growing worldwide anti-Christian philosophy, most Christians are instead watching for a single man to bring them harm.

This "great deception" was purposely placed in the minds of Christians, to sow the seeds of doubt and befuddlement, so that upon Christ's return, the faithful would assume treachery, instead of immediately recognizing and embracing their awaited Messiah, because they were sure the evil one would come first. Christians would think the true Christ was instead the Anti-Christ, and they would reject him (and lose their salvation in the process).

Sadly, most Christians are so pride-filled, that they are aware of a great deception, but they're sure that they wouldn't fall for it.

But there's a reason for it. Satan made Christianity the "catch all" religion, setting the bar reeeeeeeaaally low, by requiring nothing of people who call themselves Christian. They don't have to learn the scriptures, or change their lives, they can be as screwed up as they want, and just come in on Sunday, say "sorry", throw some money in the plate, and go on proclaiming to be "saved".

This is why they are being found unworthy.

They try to cram some false doctrine in about the Antichrist, Bride, and Rapture, but it's produced by an American church, so that's to be expected.

* There was a post just rejected because it's an example of FALSE TEACHINGS.

When people claim they are receiving messages from Christ, you must remember this...

- Our Lord knows his own name, and would NEVER call himself "Jesus".
- Our Lord declared in Revelation 22:16 that he is Lucifer, so he would NOT say bad things about Lucifer.
- Our Lord has impeccable mastery of the English language, unlike most of these "messengers".
- Our Lord chooses his messengers wisely, and at present, he almost exclusively uses members of this congregation.

Christians love to declare themselves messengers and prophets, as a way to stroke their own deluded egos, and look important among other Christians, but if you use the above guidelines, you will quickly sort out the real from the horse shit.

* God made women attractive for a reason. The Catholics want you to suppress your feelings, but Lord RayEl encourages us all to freely explore each other, as long as it's consensual.

* ...do not be fooled by the modern teachings of the church, Christ has not come to cuddle, he has come to vengefully judge, and the scriptures tell this to be so.

He shall find 500 million worthy souls to inhabit Earth, and populate his New Kingdom, and those worthy ones will live in light and love forever.

Matthew 10:34-39

Do not think that I have come to bring peace on earth; I have not come to bring peace, but a sword. For I have come to set a man against his father, and a daughter against her mother, and a daughter-in-law against her mother-in-law; and a man's foes will be those of his own household. He who loves father or mother more than me is not worthy of me; and he who loves son or daughter more than me is not worthy of me; and he who does not take his cross and follow me is not worthy of me. He who finds his life will lose it, and he who loses his life for my sake will find it.

* They gain followers by giving a "feel good" message (that's what Satan does) that strokes the individual ego, but they can never provide any proof.

We tell it like it is, we hurt feelings, we slap people upside their delusional head with a big wet fish... but we prove what we say.

The evolution of Man will come from hard truth, not comfortable lies.

...people want "magic genie Jesus", who they can pray to, get forgiveness from, and get all of their wishes granted, but it doesn't work that way. He is building a kingdom, and there are rules in the kingdom, and the first rule is that EVERYBODY contribute, so that the burdens and responsibilities are S H A R E D... He's done enough for everyone, it's time people took the responsibility to do their part. And the Bible COMMANDS tithing/donations, so if people want to disobey, then they will be chastised for it, it's that simple.

* That is an egotism the Christians have been telling themselves for a very long time, but it never really made sense.

As you can see from what our Lord is doing to Christians in America, he wouldn't want to marry them. lol Of course, just like the Bride on the wedding night, American Christians are going to be royally fuuuu..... Maybe I better stop there.

CHAPTER 3

SATAN'S DECEPTIONS & LIES

*** False name of Jesus**

... he will no longer suffer the profaning of His holy name (by those who call Him "Jesus").

It's amazing how in all this time, almost nobody figured out his name would be RaEl (RayEl), even when 2 Chronicles 7:14 clearly says of Israel "My people, upon whom My name is called".

2 Chronicles 7:14 [AV]

14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

*** IS-RA-EL explained**

So unless anybody is aware of a tribe of people named "Jesus", it's time for Christians to accept the truth.

Eze 39:7 And My holy name will I make known in the midst of My people Israel; neither will I suffer My holy name to be profaned any more; and the nations shall know that I am the LORD, the Holy One in Israel.

The Holy Name within the name Israel = Ra-El. –

Now let's break down the name ISRAEL into Hebrew words: ישראל

יש = 'Existence'

ישר = 'Straight' 'Honest'

ראל = 'Rael'

אל = 'God' 'To'

יש ראל = 'Existence Rael'

ישר אל = 'Honest God'

2 Chronicles 7:14 [AV]

14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

* Until very recently, it was considered "responsible parenting" to prepare children for procreation, since creating life is the most important thing most people will do, so sex wasn't kept from them, it was part of their education, just like nearly every other species does.

Two generations ago, "responsible fathers" took their sons to the local brothel, so their sons could learn from experienced women, today, such an act would land all of the adults in prison, and cause the lad to be a ward of the state.

Westerners now prefer that fertile hormone driven teenagers, educate each other in the backseat of a car, which will lead to teen pregnancy, and multi-generational poverty... This is true child abuse, but Satan cleverly confuses people into thinking otherwise.

Western Christians will happily buy cheap gym-shoes at Walmart, knowing that they were made by a 7 year old boy, sweating for 18 hours a day in an Indonesian factory, with fingers already missing because of his

job, but if a Christian missionary group hears that a 14 year old Indonesian girl works as a prostitute to feed her family, they try to close her business down.

It's just all hypocrisy, and Satan is laughing at how people treat this subject.

*** HAARP and BLUEBEAM**

- When I hear people claim HAARP and BLUEBEAM did everything, yet all they have to go on are some wild Internet rumors of these machines, I really wonder why anybody would be so desperate to avoid acknowledging the proven truth, for some way out conspiracy theory?
- ...the false flag is the government spreading the rumors online about HAARP and Blue-Beam, and other government secret projects, so the masses think the government is doing everything, instead of the returned Messiah.

*** Sex**

- If he had your consent, he could have slept with the entire Dallas Cowboy's Cheerleader squad without it being a problem, but since he made a monogamous commitment to you, and since that commitment was still in effect when he had his affair, he committed a sin against you, he broke the "consent rule".

When a girl is 17, she is considered untouchable through most states in your country, but at 18 she can go make porno movies... The point isn't that anyone is in favor of molestation, the point is that pleasure and consent have never been forbidden in the eyes of God, only in the eyes of Man.

- He was legally molested, but he does not consider himself a victim... Who then makes that decision?

He was given pleasure, but some would call it a crime, even though he feels enriched by it.

I know this is hard, but by every other legal definition, a crime must have a victim which is harmed... If the victim isn't harmed, then the only problem is the outside observer who has had his/her own personal set of morals harmed.

- This is going to offend some, but I'm trying to help you see it the way we see it looking at humanity... So ask yourself, when did it feel good to have my genitals stimulated? When was an orgasm pleasurable?

If you answer honestly, you will say "always".

Now, taking your laws off of the table for a moment, and just looking at it from that perspective, why is it that bringing pleasure to a person at any age, considered bad?

I know this is hard, but we are only talking about pleasure, and you have to tell a non-human why pleasure is bad at 8, but beautiful at 18.

You force girls to wait until they are fertile to become sexual (unlike every other animal species), which has caused uncountable unplanned pregnancies, and a world in poverty. If children were prepared for reproduction before being fertile, they would be much more responsible.

This is a matter of education, and sex is the only thing where your society insists that an older person does not instruct a younger person... Trust me, that is Satan's way of keeping you all ignorant and impoverished.

4) Nobody would send a doctor into surgery by himself, unless he first assisted others in that surgery. Producing life is the most important things humans do, but you entrust it to a pair of 15 year old uneducated kids in the back of a Chevy... Surely you can see how that IS child abuse, because they won't finish school, their children will grow up in poverty, and the cycle will continue for generations... All because someone is offended that either of those two may have learned responsibly from an adult first.

No one is suggesting forcing a sexual act upon a body that is incapable of it, this is only about education and pleasure. If a person is forced, consent is lost, and that is a sin.

But consider this (to all that have been molested), if society didn't tell you how wrong and evil it was, or how much you would be a "victim for life because of your trauma"... Would you have carried the memory this long? Did it hurt more than the 50 times you fell off of your bicycle or had a pet die? What I'm saying is, it was an event that lasted moments out of your life, but society has made you hurt far more than the actual event.

5) Does a child give educated consent to eating foods with GMOs, or drinking fluoridated water? Does a child say "I want to go to school?" How many children consent to vaccines?

You cannot simply say "This is just wrong!!! I don't know why, but it just is!!!"... If you do that, you will not be in the New Kingdom, NOT because you disagree with our opinion, but because you cannot make an enlightened opinion of your own.... If you think something is wrong, then you have to have a good reason, otherwise you are not evolving, you are still the caveman saying "Ug, fire bad!"

If everyone is enjoying something, it is not bad. If that pleasure prevents unwanted pregnancies, and generational poverty, it's not bad... No other point is being pushed beyond that.

The parents that do these things to children aren't called "monsters", they're praised by society as "good parents".

A child has had a "feel good" experience, and you want to tell them that they were molested and raped... Do you not see who is bringing that child more harm?

Were you spanked as a child? Did you forget it and move on, or did you let someone tell you were a victim of domestic abuse, and must seek lifelong therapy?... Please sister, look at where the actual damage begins.

6) What most people today don't understand, is that this mentoring relationship was considered normal and essential all throughout history, it was not until the 20th Century, and specifically in the U.S. where suddenly this was considered wrong. You literally have to say that everyone in history got it wrong before you guys.

Why would you think we would condone child abuse? Don't you see, we are AGAINST child abuse, and we are saying that denying a child education is the greatest form of abuse there is.

7) In the Middle Ages, the Roman Catholic Church actually owned houses of prostitution... Why? Because they realized what our Marijuana loving congregants realize, that anything that is made illegal, causes it to be "taboo", and causes more people to commit crimes to achieve it... It's sick, but true.

Your grandfather's generation always took their sons to houses of prostitution to get their sons educated by older women who could teach them, without the risks of getting someone pregnant. These were considered "good fathers" as far back as America is old, but today they would go to prison for doing it. Nobody was unwilling, and everyone was happy about the experience, but you would call them all sick today.

It's a hard subject, but all of the subjects of race, religion, sexual preference, etc. have been difficult, but we don't grow unless we are willing to ask and answer hard questions... Truthfully I hate this subject, but I'm glad you and the others can agree and disagree from positions of logic.

8) Just so we're clear... DON'T HAVE SEX WITH CHILDREN! Nobody here is telling anyone that they should do this, we are only discussing the true moral implications, verses the societal beliefs.

This is fundamentally a moot point, since the New Kingdom is upon us, and you'll all be young adults inside of it (if chosen), so this was just an exercise in logic and discernment, NOT an encouragement to engage in the practice.

9) A wonderful person, but she has the understanding of an American woman of this generation. She sees a myopic view of sex that was created by Christian Fundamentalism, that flies in the face of the rest of the world, and the entirety of civilized history.

America suffers the highest rape and teen pregnancy rates of the industrialized world because of those views... And she doesn't see that child abuse is often disguised as "child protection".

10) A man begs for money on the street, people give him money every day, he goes and buys drugs because it was easy money and he has no responsibility.

A second man begs for money on the street, he gets none, and is forced to go get a job and get his life back on track.

The person who gave money has done more harm than the person who didn't, but it is not easy to see at first.

11) People forget that children are not a separate magical species that must be kept innocent and pure, children are undeveloped adults, and the responsibility of society is to mature them, not coddle them so that they become victims of society when they are released from the nest.

American television and movies are also a great example. Little Johnny can sit in front of the tube, and watch a few thousand simulated violent murders before he's 10, but if a nipple is shown, the mother's brigades call for boycotting the station... Makes absolutely no sense.

Humans enjoy receiving pleasure from other humans, and there is no age when that is more true or less true, it is simply always true.

Society tells you it's wrong, but if society didn't say it was wrong, all you would feel is a terrible, terrible orgasm.

I have been around for a very long time, and I have watched normal children turn into unstable adults, all because they were told that they were a victim, or that they were wrong for enjoying a social taboo.

All of those children who daily commit suicide because they were told that they were "damaged", or "perverted"... I've cried too many times for them, and it's always society that pushes them over the edge by trying to place their "norm", over the individuals pleasure.

Ask yourself "At what age can a person consent to pleasure?"... Then ask yourself "Why not a year younger?"... Soon you will see that "age of consent" isn't something quantifiable, but instead something completely arbitrary.

And I don't think you realize how arbitrary it is.

The ages of consent for sexual activity vary by jurisdiction across Asia, from age 13 to age 21. Now are we to believe that 13 year old girls in one area are as mature as 21 year olds in another? Your U.S. state to state laws, and EU country to country laws are similar. So you see, it's not based on nature or science, just public opinion.

12) We had a discussion about this at the Commandery about a year ago, and one knight pulled up a bunch of interviews from porn stars who very sexually happy, and they all spoke about how young they started, and how often their first partners were MUCH older... These are people who aren't afraid to say "sex is good, and I've always enjoyed it", so plenty of people have said no to being labeled by society.

When you say 'Survivor, not victim', you've obviously had someone speak to you about this therapeutically... But I'm going to ask you something that will sound crude, insensitive, and completely wrong, but I'm asking you to answer it honestly.

If you were 10 years old, already experienced in masturbation (as most 10 year olds are), and a man or woman you thought was cute, gave you pleasure, would you then feel like a victim or a survivor, since you were the recipient of the pleasure?

If you answered honestly, you would say "no". You would not feel anything negative, until someone said "You were molested", and then you would become a victim.

You cannot use your bad experience to condemn everyone who has a sexual experience outside of societal norms. It's harmful and truly unenlightened.

A bad experience is "bad", and a good experience is "good", but setting arbitrary ages will not change those outcomes, it will only force people into illegal situations, and restrict education.

13) If an adult brought your child pleasure, you would kill the adult?

- If a cigarette, liquor, drug, etc. company's advertisements caused your child to develop an addiction, would you kill the workers of that company?
- If an coach caused your child to get hurt on the field, would you kill the coach?
- If a teacher gave your child bad advice that caused him to drop out of school, would you kill the teacher?
- If the doctor gave your son a harmful vaccine, would you kill the doctor?
- If your City Council voted to put fluoride in the water your child drinks, would you murder the City Council?

You see the point Suzanne, all of these really life-long horrible things, you've been trained to accept, but sex (the thing you enjoy), you put in a special category, and even if your child enjoyed it, you want to commit murder because of it... Think Satan isn't causing some confusion there?

14) What you call 'preserving innocence' does what for the child?

Is there any other important life lesson we try to keep from children to 'preserve innocence'? Of course not, because all other things we realize are important to a child's proper development into adulthood, it is only sex that society tries to retard, so children grow-up without a full understanding.

2000 years ago, our Lord fell in love with a prostitute, yet for most of the time since then, the Christian church has been corrupting and guilting people into believing that chaste virginity is the way of the Christ.

15) Everyone here knows that Satan is the master of lies and confusion, so if you have a "belief", but you cannot justify that belief, then YOU HAVE BEEN FOOLED BY SATAN (period).

I think it is safe to say that everyone here loves sex, or at least enjoys it... YOU have to logically explain why sex is bad... I mean it is bad right? You wouldn't keep something healthy, fun, educational, and self empowering from a child unless it was bad would you? So come on, you've beat up on the people here who get it, this is your chance to prove that you are not just a puppet for Satan, tell us why God made children so sexually curious, and why he made sex so good, if it is bad for them?

Ah, you can't do it can you? You can't tell me why sex at 17 is forbidden, but at 18 it's published?

Satan wants people poor and stupid, so if girls don't become sexually educated before puberty, then they will get pregnant, drop out of school, be poor, and raise children to do the same, and it will repeat for generations.

2000 years ago, Christ warned you about harming the children... How twisted is it to think that Christ wanted you to restrict the children's ability to experience what you do!

Why do you think animals begin sex play before they are fertile? It's for the same reason children do, but you keep them from it, and place guilt upon them to get your satanic puritanical way... You are the one saying sex is bad, not the child, not nature, and not God... So who's wrong?

Don't you see how you place this unnatural "special designation" on sex? You'll let children play with guns and knives, pilot planes, swim in the ocean, but you won't let them experience the intimacy that you longed for when you were their age, but - you - still - can't - tell - me - why?

I AM NOT TELLING YOU TO HAVE SEX WITH CHILDREN, but I am telling you that they are PEOPLE, with the same wants and needs you have, but God allowed them to explore these needs WITHOUT GETTING PREGNANT, that is what the purpose of preadolescence is.

So I ask again, if sex is bad for them, you must logically tell us why?

16) The hard question for people to HONESTLY answer is, if parties willingly acts upon their fantasies, what real harm is done?

Now if a teacher is removed from her family, loses her job, her family goes homeless, the student is dragged through the court, ostracized, shamed, etc... All of these harms come from society's reaction to the sex, which seems a whole lot worse than any actual harm caused by the sex itself (which again seems unlikely if it was mutually consensual).

17) In olden days (and in parts of the world today), women were raped often, sometimes gang-raped often, yet they got up, brushed off, looked at it as a bad situation, but one that had passed, and they went back to their lives.

Modern society has made rape victims into life-long victims, telling women that they will never fully recover from the event, and pushing them into life-long therapy, so they can never fully put it behind them.

This is a rather extreme but poignant example of how society makes a person a victim in far worse ways than the person who perpetrated the initial event.

* ...look at how many evil and blasphemous things are written about "Jesus" (see I can type the word. lol). They have been doing this since he came 2000 years ago, and the fact that they do it now, only shows their desperation.

I remember the conversation spoken of in the article, and this guy has completely twisted it, which is why he was afraid to post the actual messages, and instead, only his version of events.

You cannot let every negative person's rant destroy your faith brother. The proof we have given is indisputable, while all the author of the article gives is slanted and un-Biblical opinion.

*** TABOO SUBJECT DISCUSSION #1- Historical Sexual Practices Of The Elite:**

1. Throughout Sumerian, Babylonian, Egyptian, Roman and Greek history, the powerful and respected men and women (Royalty, Senators, Philosophers, Priests) married their siblings and other family members, engaged in bisexual orgies (often Bacchanalian), and were surrounded by children they physically instructed in the ways of sex. This practice is still carried on today by the elite of the Roman Catholic Church.

2. Gnostic Christians (those who know the secret teachings of Christ) used to hold "Communion" by engaging in ritual bisexual orgies, and used seminal fluid as the "living water" consumed during the Eucharist.

3. Of all the women Christ could have chosen, He selected a prostitute (Mary Magdalene) to be His beloved, and He said that prostitutes get into His Kingdom first (Matthew 21:31).

4. Royals and the political elite today, are regularly discovered engaging in pedophilia and ritualistic orgies.

The question is... Why are the people who historically have the highest levels of education, breeding and understanding, engaging in sexual practices that are forbidden to you?

If you're a Christian, you believe it's all evil, and the work of Satan, but clearly Christ and the Gnostics were not "evil", so it then begs the question, are you wrong? Is it your beliefs that are of Satan?

Consider it carefully... Sex in modern culture is practically forbidden until the age when uneducated teenagers are most fertile. Children are taught that the most pleasurable and desirable thing to you, is completely forbidden to them, until they reach an arbitrary age, and because of their ignorance of sex, they end up pregnant, and continue producing further generations of poor and uneducated offspring... The elite don't suffer with this problem, so they stay in power, while you stay poor and in chains.

If you wanted to keep generations enslaved, just keep them ignorant and reproducing... Does that sound like the work of Christ or Satan?

*** TABOO TOPIC #2... WHAT IS "CONSENT"?**

The Lord has defined acceptable love as any form that is both "consensual and responsible", but human laws make people struggle with what exactly can be construed as "consent", so with the usual caveat that "DISCUSSION DOES NOT EQUAL ENDORSEMENT", let's see if we can clear this up a bit.

Before the proliferation of social-mass-media, the stereotype of a "sexual predator" was a dirty old man lurking by a schoolyard with a van full of candy, but now we see that women are just as predatory (if not more so) when given the opportunity.

According to a recent study, 86% of the victims of female sexual predators aren't believed, so the crimes go unreported and don't get prosecuted... So the question must be asked, are women more sexually predatory than men?

The problem is, in almost every case, the "victim" was a willing participant in the crime, and the only physical harm came from excessive 'high-fives' received from the victim's friends.

So, here's the problem... Are these women really rapists? If you say "no", is it because they are attractive women, and your opinion would be different if they were men?

Are you bothered that the same "crime" would not be a crime in a different state or country, simply because age of consent laws vary from none to 21?

Is it time to accept that a person will have different levels of maturity at different ages, based on personal experiences, social environment and perceptions, meaning that an arbitrary number cannot be used as a gauge for competent consent?

*** Celibacy**

The Catholic priest celibacy practice was not instituted in the church until Rome started having a problem with losing church buildings and church funds to the heirs of priests... By stopping priests from having children, all church property went back to Rome's hands upon the death of the priest.

But on the flip side, Rome told all of the Catholic parishioners that birth control was forbidden, because the more new Roman Catholics the ignorant prisoners produced, the more money they could count on being dropped into the collection plate each generation.

There is a reason that children are not born fertile... Just like in the animal kingdom, there is a period of safety built into the organism, where learning is supposed to happen without consequence.

A child isn't handed a loaded gun the first time he's put on a firing range, he is taught with safe toys before ever pulling a trigger for real.

Should the creation of life be treated any less cautiously than the taking of life?

Think about it... In EVERY OTHER thing a child does, he/she is instructed by an older and more experienced person, but when it comes to the most important thing humans do, create life, we expect 2 horny teenagers to figure it out for themselves in the back seat of a Chevy... Does that really make sense?

Christ says "fuck"... He may be telling us a joke, he may have stubbed his toe, he may be growing tired of the ineptitude of one of my men, but he is no less priestly or righteous because of it.

It's just a word, and as words go, it conveys good hardy sex, so it is truly a good word.

Remember, it was not God that made the list of bad vs. good words, it was television censors, and they taught people that "Hell and Damn", the 2 worst words there are, where just fine in normal conversation, while wishing someone has good sex (fuck you) is forbidden.

Think about the actual meaning of words, before deciding if the "socially acceptable" versions of speech are the correct ones, or the work of Satan?

Isaiah 5:20 Woe to those who call evil good and good evil, who put darkness for light and light for darkness, who put bitter for sweet and sweet for bitter.

* **Good vs. Evil**

- Isaiah 45:7 I form the light, and create darkness, I make peace, and create evil: I the Lord that do all these things.

Good and evil are not black and white polar opposites like humans understand. The divine understanding of why an "evil" act may serve a greater "good", is the providence of deity.

The best analogy I can use is a comparison between what is alright for adults, compared to what is alright for children.

Children should not play with fire... Adults build nuclear power plants. The difference is immense, and it is based on the danger, as well as the competence, experience and maturity of the handler.

The Divine understand the truth of life and death, whereas Man only sees death as an end, and when he uses it, it is to deprive another, often for self-serving reasons.

- [Facebook Link – 9/2/2015](#)

When you were young and naïve, you believed that the majority of people were good, but it was a lie people told each other so they could sleep at night. Today, we have given the world a camera and microphone, and the people have shown us their narcissism, self-delusions, evil intentions, and apathy towards anything or anyone that is not bringing them immediate pleasure. Today we see that the trolls are not the few, but are indeed the many, which is why only a remnant of humanity will be spared.

But for the evil ones who attack Our Lord and his Saints, they should abandon all hope, for as their worthless souls are dragged to Hell, and they gasp, scream and beg for our mercy... They shall not receive it.

They will be paid in full, the wages of their sin.

[Anger – Lord RayEl](#)

* Satan does what he does, because God wants him to strengthen Man through adversity, because adversity does build character.

There is of course a limit to that. A child starving to death in an Ethiopian desert isn't learning anything that will make him worthy of the New Kingdom, he is only suffering needlessly... But his suffering is teaching a valuable and terrible lesson to others.

* All Love is accepted, No shame is permitted - A new kingdom philosophy.

Though I would add that the "Non-detrimental" caveat is of equal importance, so "consensual" and "responsible" are the only two restrictions.

Age of consent is an arbitrary number that varies widely around the world, simply because there is no specific time when a person is mature.

Maturity is not an age, it's an unfolding continuum, therefore the right time and circumstances for one person, may be vastly different than it would be for another.

- **A Teaching...** - [October 5th, 2015](#)

2 Timothy 3:1-2

You should know this, Timothy, that in the last days there will be very difficult times. For people will love only themselves and their money. They will be boastful and proud, scoffing at God, disobedient to their parents, and ungrateful. They will consider nothing sacred.

Satan is VERY clever, he bakes the good fruit inside the poisoned pie.

This generation is self-obsessed (and "selfie" obsessed), needing to constantly feed their tremendous egos, while lacking the ability to form nurturing relationships with others. The people in the Facebook generation often have thousands of friends, yet are completely alone.

Below you see how Satan takes the sin of obsessive self-love (as amply demonstrated in the hubris laden video "Love Myself"), and wraps it in the feel-good blanket of stopping bullies.

Most people will watch this and think "Ug, bullies bad, self-obsession good", because they can't see how Satan is manipulating them... Fortunately, you are learning how to spot his nuanced tricks. wink emoticon

CHAPTER 4

THE SOLAR & NEMESIS SYSTEMS

- * Nibiru will reach its closest position between Mars and Jupiter, but Nemesis (Nibiru's sun) has an immense magnet pull, and a ridiculous amount of debris in its tail, including several moons.

What part doesn't add up?

- Photos and video flooding in from all over the world?
- Magnetic North rapidly moving at unprecedented speed?
- Rapid ice sheet melting?
- Sun coming up days early in Greenland?
- Moon at improper tilt?
- Sightings by NASA satellites?
- Ancient writings predicting it, along with the other events we're witnessing?

* ...the second sun now being spotted in the sky is "Nemesis", your sun's binary partner. The Annunaki homeworld is Nibiru, one of 7 planets that orbit Nemesis. Presently the Nemesis system is merging with your solar system, which is contributing the the instability Earth is now experiencing.

It's visible, but there has been massive chemtrail spraying to try and block it out until the last minute.

Nibiru is technically part of your system, since both stars form a binary system

* Nemesis has 7 planets with it (one of which is Nibiru), and a whole bunch of moons and debris in its tail. Nemesis is the second sun in your binary star system, it is the sun that Nibiru encircles. The Nemesis system is entering the Sol system right now, and it the second sun being reported and videoed all over the world.

* Parts of the Earth are much older, because this planet was originally "Tiamat" before it got hit during a close pass with Nibiru. The age you see in the Bible reflects the planet after it was repaired, and also includes much longer solar years early on, before Earth fully adjusted its new orbit to what is today a solar year.

* By the way, some of you may remember way back when Richard C. Hoagland announced the discovery of "glass tubes on Mars", he claimed they were an ancient train system... I of course explained that they are not tubes, they are the shed exoskeletons of giant worms. Since then, a picture of a baby one was photographed.

* The outside circle represents Saturn, the hexagon is the storm on Saturn's pole, the dots signify that Saturn will emerge as the third sun in this system (Sol and Nemesis being the other two).

Saturn will be the pole star of the New Kingdom, and I'm sure everyone recognizes its symbol...

* **Those that claim Nemesis/Nibiru is Venus** ([July 24th, 2015](#))

As one can clearly see on Stellarium, Venus is nowhere near the top of the sun, and no other object is there to produce what is seen in the video... Meaning it is Nemesis/Nibiru.

***HOW TO DEBUNK THE SECOND SUN DEBUNKERS ([August 17th, 2015](#))**

- The government has employed legions of people for decades to convince you that you are not seeing what is in front of your eyes... From Roswell explanations of "swamp gas" and "weather balloons", to Mars' life pictures being explained away as "pareidolia".

The newest method is telling you that "lensflare" is responsible for all Second Sun videos, and that doing a "finger test" will make it go away... You can tell them to "go away", and where to stick their finger.

Visible light is a part of a spectrum, and light that is outside of the visible spectrum can only be seen with the aid of FILTERS, the filters do not create the light/image, they just show you what is otherwise invisible. This is why NASA uses such filters on their deep space observatories.

When you look at the night sky, you see stars, but video from the space station doesn't show the stars... Why? Because the moisture in Earth's atmosphere acts as an optical filter, allowing you to see the stars, while astronauts above the clouds cannot... THAT IS HOW OPTICAL LIGHT FILTERING WORKS.

When you take video of the Second Sun that shines slightly outside of the visible light spectrum, lenses on your camera, sunglasses, a window, or the right atmospheric conditions, can act just like a NASA optical filter, allowing you to see it as if it were in the visible spectrum... Again, the filter DOES NOT create the image, it only allows you to see it.

WHAT ABOUT THE "FINGER TEST"?

This is a favourite tool of the government shills, because they know most of you have no clue how your camera's digital optic sensors work.

You may have seen camera-phone video of the sun or a bright light, where a black dot appears in the middle of the light, this is a built in digital protection system that reduces or blocks strong light, to prevent image burn into the camera... When you put your finger up over the sun, it causes this digital protection system to malfunction, and it reduces all surrounding bright light, making the image of the Second Sun disappear... The government shills know this trick, and they use it to make you believe the image wasn't there in the first place.

So, now you know the truth, and you know their tricks... Go debunk the debunkers.

Back in ancient times, "The Destroyer" was called "The Great Bull of Heaven"... It brought the greatest changes, and destroyed old kingdoms while birthing new ones.

Today the world calls it "Nibiru".

CHAPTER 5

HEAVEN, HELL, & THE AFTERLIFE

* Most people start out as flesh and soul, but those who have a reincarnated matured soul grafted into them, have spirit also.

* Some will be transferred from their body to a waiting body before this is over. You may consider it "death", but it's just a transfer.

1 Corinthians 15:51-52 But let me reveal to you a wonderful secret. We will not all die, but we will all be transformed! It will happen in a moment, in the blink of an eye, when the last trumpet is blown. For when the trumpet sounds, those who have died will be raised to live forever. And we who are living will also be transformed.

* This planet is a school for immature souls, and as trite as it sounds, the old expression "suffering is good for the soul" is accurate. Who gains more spiritual maturity, the child in a warzone, or the child in Disneyland?

And who can truly be called "innocent" brother? Everyone on this planet is a reincarnated soul, and even the youngest child will be judged by the entirety of his/her many lifetimes.

But you cannot say that healing would turn people around, because he tried that, giving the gift of healing to the world, and we saw what happened, and why it was revoked.

And let us be honest here... The warning to be 'watchmen on the wall' for his return, was given 2000 YEARS AGO, so there really is no excuse for people being unprepared for him, when he gave the signs to watch for, and he has fulfilled all of them. If people don't know, it's because they are either too lazy to read the scriptures, and watch the news, or they are too preoccupied with other trivial things.

Earth is a school for immature souls, and the divisions of mankind here, are preparation for dealing with the multitudes of races you will encounter when the quarantine is lifted off of this planet.

Some will return to the planet(s) of the race that seeded them, some will go to a form of remedial training elsewhere (known by the Catholics as "Purgatory"), some will be punished, and those deemed "unsalvageable" will be destroyed.

* Hell is very real. It was originally a vast underground Anunnaki mining facility in Africa, that was converted into a penal facility. There are other penal planets/facilities within The Empire, but Hell is one of the worst. It does still exist, and it is still used.

Some people will go there, some will go elsewhere, depending upon the outcome of their judgement. Some will return to the planet(s) of their seeder race, and some, deemed beyond salvation, will be destroyed.

But 500 million, who follow Our Lord, will be saved by His Grace.

* Hades (Hell)

There are penal planets in the system, but the "Keys to Hades" that Rayel refers to was a reference to the underground mining facility that was converted into a penitentiary. The keys were to release the people who were wrongly held in Hades. Hades is not a planet. In the common reference, it is a name for the one under Africa (penal colony). It was a penitentiary for the gold mining colonization, so it was mostly slaves, but when the mining was finished, it was used for bad people in general where they are tortured

temporarily. Nobody wants to waste the effort on a soul that would be eternally damned, if one is that beyond fixing, it's better to just destroy it. The ones that are there have very long sentences, but there is a hope of release one day. Before the day of the crucifixion when people died, good or bad, they usually went there, not always to torture, but for holding at a minimum, but he opened the gate that allowed good people to be taken off-world at death. Hades is also the same as Hell. It is just another name for it. This is pretty accurate :

<https://en.wikipedia.org/wiki/Hades>

* Hindus have a better grasp that it's not one location [Hell], but an entire penal system.

* WISDOM: Has Satan tricked you into going to Hell?

Modern forms of entertainment (even cartoons) have made "damn" and "go to Hell" acceptable slander, yet these two forms of cussing are direct violations of The Lord's law.

Luke 6:37 "Do not judge, and you will not be judged. Do not condemn, and you will not be condemned.

Forgive, and you will be forgiven.

Damning someone/something, is saying you want him/her/it to be condemned to Hell.

Words matter... Think before you speak.

* Considering how few people are obeying The Lord when it comes to: leaving America, tithing, relationships, spreading the news, etc... Yes, it's time, because a lot of people are going to Hell because they knew better, and CHOSE disobedience.

CHAPTER 6

TITHING & DONATIONS

* The Bible commands the world to "tithe", which is to donate to the Lord and his works.

- Proverbs 11:24 One gives freely, yet grows all the richer; another withholds what he should give, and only suffers want.

- 2 Corinthians 9:6-7 The point is this: whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully. Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver.

- Luke 6:38 Give, and it will be given to you. Good measure, pressed down, shaken together, running over, will be put into your lap. For with the measure you use it will be measured back to you."

<http://www.ra-el.org/donations.html>

* MONEY

Got your attention? Good, because anyone who thinks we do this for money, will change their mind after reading this.

You can go out and collect all of the money you want in the name of Lord RayEl, AND KEEP IT ALL!!!

Yes, you read that correctly. This is not a business, it is a gathering of people, who are trying to spread the message of Christ's return, and save as many souls as possible... If you are doing this for our Lord, he wants you to live well while you do it.

Are you required to send us any of the money you collect?... NO!

We won't refuse it if you do, because we do operate on a ridiculously tight budget, but officially, we recognize your work as your tithe, so only share with us if you want to.

But, if you are not working full-time to spread the news to the world, then you should contribute something, so that we can do it.

* We have to feed a large number of Knights, that travel around the world doing the operations of this command. They require food, clothing, and shelter expenses, just as you do.

We purchase equipment to facilitate our work.

We do everything necessary to complete our tasks, and in a world that runs on money, we must pay for things just like anyone else.

2000 years ago, Christ and the Apostles had the same needs, and they did their mission off of the donations of others. This is why the Bible commands people to tithe/donate to the works of God.

The Clergy also have expenses. They do twice as much work as full-time clergy in other churches, but they don't get paid, so our Clergy are forced to work outside jobs, while trying to provide for the spiritual needs of the Congregation.

They also advertise, and without donations, that expense comes out of their pockets.

* Neither the Knights nor Clergy have a salary, everyone is a volunteer, and anything collected, just barely covers expenses.

In fact, last year a number of Clergy members nearly went homeless.

So, as I stated above, nobody is in this for the money.

* ...money is not the root of evil, "love of money" is.

"For the love of money is the root of all evil" - 1 Timothy 6:10

Tithing is a sacrifice in appreciation of the Lord, that goes to serve his mission. We are still in a capitalist society, and the work we do costs money.

...when people tithe with us, it goes directly to the mission.

Several Clergy members almost went homeless because people refused to tithe as the Bible commands.

Nobody is getting rich doing this.

* Believe me, we would rather see people work full-time for us, and save souls, but since people won't give up their jobs to do it (or even give up the cost of a Caffè latte), then they can at least contribute to those who are doing the work.

CHAPTER 7

BIBLICAL EXPLANATIONS

*** MARK OF THE BEAST- 1st Explanation**

(Explanation provided by the International Congregation of Lord RayEl. Repost freely.)

Read carefully to fully understand!

You have all taken the "Mark of the Beast" already... Don't panic.

The "Mark of the Beast" comes from Revelation 13 & 14. In this you read:

Revelation 13:1 And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.

A multi-headed beast with horns and crowns is obviously describing a governing system with strength and authority, in fact, the next paragraph tells you this:

Revelation 13:2 And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.

Now Revelation 14:9-11 tells you the consequences of accepting the Mark of the Beast:

- 9 And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand,

- 10 The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

- 11 And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.

Okay everybody, this is going to get a little complicated, so follow closely...

In Revelation 3:9, our Lord speaks against Jews that are not really Jews, but instead a "synagogue of Satan".

If you research how the U.S. banking system (the Federal Reserve) was started by the German "Ashkenazi Jewish" Rothschild family, and how they forced the entire world to accept the U.S. Dollar as the base for all other currency, then you will understand that anyone who is paid money, is accepting their version of cash... The old word for a coin of the realm (especially a Germanic based one), is a "mark".

Now here's your next clue...

Revelation 13:17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

That confirms to you that the "mark" is a monetary instrument, which is the U.S. Dollar based world currency.

Now here's the big clue...

Revelation 13:18 Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

Okay saints, let's put the clues together... The "mark" is a financial instrument of a multi-headed governing organization, which a person needs to buy and sell with. The "mark" incorporates the name of the beast, and the number of his name, which is ALSO the "number of a man".

The Rothschild family adopted a symbol to represent their family name, it is what you today recognize as the symbol of Judaism... The "Star of David".

The Star of David is not a true Jewish symbol, but instead a symbol born out of the false Ashkenazi Jews our Lord called a "synagogue of Satan" in Revelation 3:9. The Star of David is a "hexagram" that has 6 points, 6 triangles, and 6 line segments. The 5 pointed star (pentagram) represents "woman", because like a woman,

it has 5 appendages sticking out of the body (1 head, 2 arms, 2 legs), but a 6 pointed star (hexagram) represents "man", because it has 6 appendages sticking out of the body (1 head, 2 arms, 2 legs, 1 penis). So, the symbol and number of a man is 666, represented by a hexagram, which is the Star of David, which is the symbol of the name "Rothschild", which controls the world financial system, whose "mark" (monetary instrument) you can't buy or sell without.

If you are part of the system, you take money payment in your "hand", but if you fall out of the system, you become an outlaw, and a price is put on your "head"... Understand now?

Now you should understand the punishment of accepting the Mark of the Beast...

Revelation 14:11 And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.

This financial Mark of the Beast has created the "Industrial Revolution", where the laborers of this world work around the clock, day and night, as smoke from cars, trucks, trains, ships, airplanes and factories fill the air with the smoke of this ceaseless cycle of work-consume-work-consume.

So, now you know what the Mark of the Beast is, and what the torment of it is. You are not "eternally damned" for accepting it, but you are receiving "torment" in this world for accepting it.

Our Lord shall free you from this financial enslavement once he is upon the throne, because as he promised in Matthew 11:30 "For my yoke is easy to bear, and the burden I give you is light."

*** MARK OF THE BEAST - 2nd Explanation (2014)**

The "Beast" in Revelation 13 is Lord RayEl.

The Beast Out of the Sea

1 And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy. 2 And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.

[1. This is describing Yeshua emerging from his Sea of Galilee/Jordan River baptism, gaining his Holy Spirit, and the royal reincarnation history that went with it. The "name of blasphemy" is "Yeshu" or "Jesus".]

[2. The dragon (Satan) gave earthly authority to "Jesus" through the Roman Catholic Church, and all of the royal seats of power that claim to be Christian.]

3 And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

[This describes the "Crown of Thorns" worn by Yeshua as he died on the cross, but he was resurrected and healed, and it was because of his resurrection that the world wondered after him in the form of Christianity.]

4 And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?

[Christians worshipped "Jesus", which is derived from "Yeshu", a reference to Satan, not to Yeshua.]

5 And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months. 6 And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.

[We all know of the nearly countless Roman Catholic/Christian heresies.]

7 And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.

[The Romans persecuted the saints, and the Roman Catholic Church (an extension of the Roman Empire) has since conquered the world, through its loyal royal houses and ecumenical authority over governments.]

8 And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world.

[This is describing the Gentiles who worship "Jesus", as opposed to the Jews and RayElites that are written in the book of life.]

10 He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints.

[This is simply a warning to the reader.]

The Beast Out of the Earth

11 And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.

[This is of course Lord RayEl... The gentle loving kindness of a lamb, combined with the ferocity of a dragon.]

12 And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.

[He exercises the same powers Yeshua did, and causes people to once again properly believe in Yeshua.]

13 And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men,

[He addressed the world and said that he would rain fire from the sky, and fireballs have been raining down ever since.]

14 And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.

[Now this is important... The word "deceiveth" is in Englishman's Concordance/Strong's Greek: 4105.

πλανάω (planaó) as "and leads", so this should be read as "And leads them that dwell on the earth by the means of those miracles".]

[Strong's Greek: 3162. μάχαιρα (machaira) derivative of mache; a knife, meaning that this is referring to the tip of the lance that pierced him, since lances were simply knives attached to wooden sticks.]

15 And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

[Lord RayEl has brought the image of Yeshua to life, and he is killing those who will not bend their knee to him.]

The Mark of the Beast

16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: 17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. 18 Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

[We explained before that the "mark of the beast" was the Star of David (6 line segments, 6 inner points, 6 outer points), which represents Our Lord's royal Davidic authority, and symbolizes a man, because it has 6

appendages (1 head, 2 arms, 2 legs, 1 penis). Only those who are marked for the Lamb, will be able to participate in the New Kingdom. Revelation 14:1 confirms this.]

Revelation 14

The Lamb and the 144,000

1 And I looked, and, lo, a Lamb stood on the mount Sion, and with him an hundred forty and four thousand, having his Father's name written in their foreheads.

[Notice the Satanic deception of calling Our Lord "beast" the entire last chapter, then switching to "Lamb" in this chapter, to confuse anyone who wasn't carefully reading and grasping that "the mark" is what connects them between the two chapters.]

[Several lines follow describing the destruction of Babylon, then the final confirmation of "the mark".]

9 And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, 10 The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

[Wine is given for celebration, and those who are sealed with the Lamb's mark shall celebrate in his company, and the company of angels, as the smoke from Babylon's destruction fills the air, which breathing it in will be difficult.]

11 And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.

[Englishman's Concordance: βασανισμοῦ (basanismou) "of her torment," meaning that 11 speaks of "the Whore of Babylon", not those with the mark.]

[Once the sealed of the Lamb have their new bodies, they no longer need to sleep.]

12 Here is the patience of the saints: here are they that keep the commandments of God, and the faith of Jesus.

[In case anyone was still unsure, 12 just confirmed that these are The Lord's chosen being spoken of.]

[Revelation 7:1-3 further confirms this.]

* The Bible does not only use the term "beast" in the Book of Revelation, "beast" is used throughout the Bible to refer to animals, people who are like animals, and even something else that does something beastly, so when reading the Bible, keep this in mind, it will be important soon.

* ***Gog and Magog***

Many Christians believe that the biblical Gog and Magog attack on Israel, will be Russia beginning World War 3, but is this correct?

Consider a few facts:

- In the Qur'an, Gog and Magog are described thusly: "... Gog and Magog are doing corruption in the earth..." (18:94)

(This is a world-wide sentiment reserved almost exclusively about American influence and war-power imperialism)

- Muslim Hadiths expound on this further, stating that after Dajjal is killed... "Gog and Magog will rush out in all directions, spreading corruption, uprooting plants, killing people. When Jesus (p.b.u.h.) prays against them, Allah will send a kind of worm in the napes of their necks, and they will be killed by it."

(The Dajjal has been killed; Lord RayEl spoke against America, and now America is being attacked by the Ebola worm)

- U.S. President George Bush was initiated into the secret society "Skull & Bones", and given the name "Magog".

- In 2003, President Bush told Jacques René Chirac (former President of France) "This confrontation is willed by God, who wants to use this conflict to erase his people's enemies before a New Age begins", and cited the Gog and Magog battle as justification for the war in Iraq.

- On January 6th 2008, The New Jewish Congress, The Sanhedrin, The Holy Temple and Temple Mount Movements presented President Bush with an official scroll in which he is addressed thusly: "Esteemed Mr. George W. Bush, the chief prince of Meshech and Tubal (Ezekiel 38:1), leader of the west!"

- Ezekiel 38:1-3 The word of the Lord came to me: "Son of man, set your face against Gog, of the land of Magog, the chief prince of Meshek and Tubal; prophesy against him and say: 'This is what the Sovereign Lord says: I am against you, Gog, chief prince of Meshek and Tubal.

As we have witnessed, Lord RayEl has only spoken and prophesied against the United States of America.

**** Where the eagles gather of Matthew 24:28***

We shall now reveal a key proof.

As most of you know, Raymond Elwood was falsely imprisoned (Matthew 25:36), and we removed him from the United States. Before taking him to our location, we kept him for a brief time in the "International Zone" between El Paso Texas and Ciudad Juárez Mexico. Since this is a region shared by both countries, and both countries use the "eagle" as their symbol, it symbolically is where "the eagles be gathered" (Matthew 24:28).

Matthew 24:27-28 For just as lightning goes out from The East and appears unto The West, so will the coming of The Son of Man be. Wherever the body will be, there will the eagles be gathered.

When his Holy Spirit descended from the clouds in the Middle East (Jerusalem), it entered our realm with a flash like lightning, and instantly traveled to the West

(U.S./Mexico International Zone), to join with the Son of Man, RayEl.

American Bald Eagle:

Matthew 24:27-28

For just as lightning goes out from The East and appears unto The West, so will the coming of The Son of Man be.

Wherever the body will be, there will the eagles be gathered.

Mexican Golden Eagle:

* *Shiloh of Genesis 49:10*

BE EXCITED!!!... Cardinals [Richard Ruff](#) and [Emil Johansson](#) have just discovered several Torah Code tables that declare Lord RayEl is "SHILOH"!!!!

Why is this more important than some other Torah Code discoveries?... I'll explain.

"SHILOH" is the Messiah's title found in Genesis 49:10, and declares his ruling authority in the same verse.

Genesis 49:10 The scepter shall not depart from Judah, nor a lawgiver from between his feet, until Shiloh comes; and unto him shall the gathering of the people be.

The "Judah" rulership can be traced to today's British Monarchy, and their royal tradition is to retain the throne "until Shiloh comes".

Of greater importance is the fact that the Torah Code identified SHILOH as Lord RayEl and "Lear" (Our Lord's human surname), proving beyond a doubt that he is in fact SHILOH.

But what really makes this discovery unique, is that it FORCES Rabbis to accept him, because Rabbis fall into two camps... Those who follow the Torah, and those who follow the Talmud.

The first 3 discoveries confirming Shiloh-RayEl-Lear were found ENTIRELY WITHIN THE TORAH (not extending into the Tanakh), which means that Torah Rabbis MUST accept it... But because the Talmud also declares SHILOH's rulership, Talmudic Rabbis must also accept this discovery!

Talmud Sanhedrin 98b, Rabbi Johanan said: "The world was created for the sake of the Messiah, what is this Messiah's name? The school of Rabbi Shila said 'his name is Shiloh, for it is written; until Shiloh come.'"

* Abomination of Desolation

- Matthew 24:15-16 "So when you see the abomination of desolation spoken of by the prophet Daniel, standing in the holy place (let the reader understand), then let those who are in Judea flee to the mountains."
- Mark 13:14 "But when you see the abomination of desolation standing where it ought not to be (let the reader understand), then let those who are in Judea flee to the mountains."
- Luke 21:20-21 "But when you see Jerusalem surrounded by armies, then know that its desolation has come near. Then let those who are in Judea flee to the mountains, and let those who are inside the town depart, and let not those who are out in the country enter it"

All 3 of these speak of the same time frame. Luke is seeing what is happening now, as the world's armies are converging in the Middle East.

Matthew and Mark are speaking of the Nemesis/Nibiru system, appearing in the "holy place" (the heavens), "where it ought not to be".

All three realize that this will be the time of great flooding, which is why all three warn the people of Judea to "flee to the mountains".

Matthew 24:37 As it was in the days of Noah, so it will be at the coming of the Son of Man.

* Homosexuality

Also, the old law was a safeguard against underpopulation. Population stabilization in a short-lived people, cannot be assured if homosexuality is practiced.

Today, we have a stable, if not somewhat overpopulated planet, so the safeguard is no longer necessary. The rules have reasons, but as situations change, so do rules.

* One has to go back a bit to Revelation 1:13 and in the midst of the seven lampstands One like the Son of Man, clothed with a garment down to the feet and girded about the chest with a golden band.

The key words here are "One like the Son of Man", meaning that the person being described is not our Lord, but simply another Anunnaki.

They ARE the gods who seeded Earth, before the other seeder races got involved after the Anunnaki departure.

*** Lukewarm Faith**

Revelation 3:16 So, because you are lukewarm--neither hot nor cold--I am about to spit you out of my mouth.

6.5 million down to 500 million... He's going to try to give more priority to the loved ones of his followers, meaning they may be less qualified than some other deserving people, but they at least have to accept him.

* People get hung up on scripture, but they never bother to ask "Why did God say that?"

The rules of the past were necessary for the past. Polygamy was encouraged among the Jews at one time, and homosexuality was banned, why? Because the population numbers needed to grow, it's that simple. Today we are overpopulated, so rules change to fit the needs of the time.

God is not illogical, he does things for good reasons... If he told you to plant your crops in one area, and a hundred years later that area became a desert, God would not insist upon you continuing to plant there. Things do change, and the enlightened people are able to follow God's wishes, but are also mature enough to follow God's logic.

* ...the Bible clearly says that the time of relief isn't during his chastisement, but AFTER the harvest, when... Revelation 21:4 He will wipe every tear from their eyes. There will be no more death' or mourning or crying or pain, for the old order of things has passed away."

* This is something that Lord RayEl will be addressing soon, but the short answer is, all scripture touched by man has errors, and neither Muslim, nor Jew, nor Christian wish to acknowledge this fact, but it is true nonetheless.

It is also true that Allah has no equal, and there is no God that can compare to him, but that does not mean he is alone.

Is Lord RayEl equivalent to Allah? No, and he doesn't claim to be, but the spirit that inhabits his body is from Allah, so though he is not his physical son, by Anunnaki belief, that makes him his spiritual son.

And yes, in scripture, the Messiah does claim to be a god, but never the equivalent of Allah.

John 8:12 And Yeshua spoke again with them and he said: "I AM THE LIVING GOD, The Light of the world. Whoever follows me shall not walk in darkness but shall find the light of life.

* The Bible clearly states that he is here this time to JUDGE, and to separate the wheat from the tares. They believe in Satan's corporate church Jesus, not the Christ of the Bible.

One of the biggest and most frequent complaints we get on our videos, is the fact that we don't allow comments. They are so mad that they can't complain and troll the Lord. They are truly the wicked generation the Bible speaks of.

* When he said "I and the Father are one." (John 10:30), it was in the same way a person would declare their thoughts and feeling in perfect alignment with someone/something else.

* Only in the very narrow context of adultery that he was teaching on then and now. Seedline adulteration was his concern, and he knew that as people thought of doing it, it would lead to them actually doing it.

* The Book of Revelation is VERY accurate, but it IS NOT in perfect chronological order. John was being shown multiple visions of events in the end times, but not all of them in the order they occur.

* The White Horse symbolizes Our Lord's return (Revelation 6:2).

The Doves symbolize the Holy Spirit (Luke 3:22).

White Elephants (in Buddhism) are considered very special and with the power to produce rain (Enlil, Lord of The Storm). Further, it is said that after practising dharma and taming one's mind, the mind which is now brought under control is symbolised by a white elephant strong and powerful, who can be directed wherever one wishes and destroy all the obstacles on his way (utopian society).

And of course, the overt, free, and universal love displayed in a gleaming Paradise Earth, symbolizes life in The New Kingdom.

In the interest of historical accuracy, he was white. He was a direct descendant of King David, and the line was very fair skinned, we're talking almost Irish level fair skin.

*** *Prostitution***

The Bible speaks of two kinds of "prostitution":

1. Physical Prostitution: Giving sexual favours in exchange for money, goods, or services.
2. Spiritual Prostitution: Worshipping other gods in the vain hope of getting money, goods, or services.

It is the second one that is the sin in The Lord's eyes.

And yes, many prostitutes do use drugs, but that is not prostitution, that's drug addiction, and it's a symptom of trying to cope with the shame society places upon them.

In societies where prostitution is celebrated, drug use among them is almost non-existent, because they have pride in their work and themselves.

"The Order of Magdalene" is a sacred religious order for women in the Adult Services industry, who are not ridiculed for their career choices, but instead celebrated for their choice to give of themselves to others, in line with Our Lord's declaration in Matthew 21:31.

Matthew 21:31 "... Truly I tell you, the tax collectors and the prostitutes are entering the kingdom of God ahead of you."

Both tax collectors and prostitutes symbolize what makes a society work, and that is why they are recognized as symbols of great people in the kingdom.

- A prostitute gives of herself to bring pleasure to others.
- A tax collector ensures that everyone equally shares the burden of taking care of each other, and maintaining the society.

The two concepts of self sacrifice, and group sacrifice, all for the betterment of the whole, is what will make the kingdom a utopia.

There is corruption in all professions, and people will be judged for their failings, but in this case it's the symbolism of the two services that Our Lord was trying to get people focused upon.

**** Revelation 9:10 fulfilled***

PROPHECY FULFILLED!!!

Revelation 9:10 They had tails with stingers, like scorpions, and in their tails they had power to torment people for five months.

If you read this in the original Greek, the word "like" is actually "kind", indicating that St. John's vision was actually a kind of scorpion being used.

***Revelation 6:8 Explained**

Kill by:

SWORD: War and rebellion is breaking out all over.

FAMINE: Drought, disease and pestilence is causing food shortages.

PLAGUE: Ebola and several lesser known pathogens are spreading quickly.

WILD BEASTS: The climate change is forcing wild animals into human populated areas, causing increased attacks.

**** 1 Samuel 16:12 description of Christ***

1 Samuel 16:12 And he sent, and brought him in. Now he was ruddy, and of a beautiful countenance, and handsome. And the LORD said, Arise, anoint him: for this is he.

The term "ruddy" describes a reddish-rosy crimson colour, most associated with Celtic people.

In The Archko Volume, Gamaliel was sent by the Sanhedrin to interrogate Joseph and Mary in regard to the child Yeshua. He describes Yeshua thusly: "His hair is a little more golden than hers (his mother Mary), though it is as much from sunburn as anything else... His eyes are large and soft blue, his eyebrows very large."

Valleus Paterculus, a Roman Historian, met and interviewed Yeshua and made a report to Pilate, who in return made a report to Caesar. Paterculus states: "One day in passing by the place of Siloe, where there was a great concourse of people, I observed in the midst of the group a young man who was leaning against a tree, calmly addressing the multitude. I was told it was Yeshua... His golden-colored hair and beard gave his appearance a celestial aspect... "

And of course, if one looks at the facial structure revealed in the 3D versions of the Shroud of Turin, his resemblance to European Jews is quite unmistakable.

***A TEACHING:**

When Our Lord came as Yeshua (a name derived from Yahweh), he came 'in his Father's name', so he was destined for rejection, but his time now is in his own name (RayEl is derived from Raymond Elwood), so they will accept him.

John 5:43 I have come in The Name of my Father and you do not receive me, and if another shall come in his own name, you will receive him.

If you check the NAS Exhaustive Concordance, "if" would be better translated as "when", meaning that Yeshua prophesied all of this 2000 years ago.

CHAPTER 8

ISLAM, THE QURAN, & HADITHS

*** Descriptions of Isa / Jesus / Lord RayEl in Islam:**

Surah Nisaa: He will resemble the famous Sahabi (A.S.) Hadhrat Urwa bin Masoodi (R.A.). He will be of average height and red and white in colour. His hair spread to the shoulders, straight, neat and shining as after a bath. On bending his head, it will seem as if pearls are falling. He will have an armour on his body. He will be wearing two pieces of cloth light yellow in color.

Sahih Muslim Book 001, Number 0325: "I saw near the Ka'bah a man of fair complexion with straight hair... Water was flowing from his head or it was trickling from his head. I asked: Who is he? They said: He is Jesus son of Mary or al-Masih son of Mary."

Sahih Muslim Book 001, Number 0322: "...and I met Jesus and the Apostle of Allah (may peace be upon him) described him as one having a medium stature and a red complexion as if he had (just) come out of the bath".

Sahih Bukhari Volume 4, Book 55, Number 648: "... Jesus was of red complexion, curly hair (Lord RayEl's hair is more curly when not wet) and a broad chest."

Abu Huraira narrated that Prophet Mohammad صلى الله عليه وسلم said: "There is no prophet between me and him (Jesus Christ عليه السلام). He shall descend so, recognize him when you see him. He is a man of medium height, (his complexion) is between reddish and white; he will be between (or dressed in) two slightly yellowish garments; His head looks as if it is dripping water even though it is not wet."

Prophet Mohammad صلى الله عليه وسلم said: "When he will bend down his head, water drops will appear trickling down, and when he will raise it, it will appear as though pearl".

* The Holy Prophet Mohammed (peace be on him: pboh) made this general prophecy about the present state of affairs, recorded in the Mudkhal by Ibn-al-Hajj: "The Holy Prophet (pboh) said, "Prayers will be neglected, carnal desires will be pursued, transgressors will become leaders, it will not be possible to distinguish the faithful from the false, telling lies will become desirable, payment of Zakah will be taken as a burden, the believer will be deemed the most disgraceful and he will be pained at seeing evils all around and his heart will melt as salt in water but he will not be able to say anything. Rain will do no good; it will fall out of season. Males will commit adultery with males, and females with females. Women will dominate. The offspring will disobey their parents, friend will treat his friend badly, sins will be taken lightly. Mosques will have external decorations and beauty and there will be worshippers too but there will be hypocrisy and mutual enmity in their hearts. Then will appear a people from the West who will dominate the weak among my people. People will produce copies of the Holy Quran in letters of gold but will not act upon it. The Quran will be recited in a melodious way. Usury will become rampant. Human blood will have no value, religion will have no helpers. Singing women will be on the increase. The rich will perform the Hajjas as a pastime, the people of the middle class will do so to conduct business and the poor to beg for charity."

* The basic beliefs of Muslims (Islam) fall into six main categories, which are known as the "Articles of Faith":

- Faith in the unity of God
- Faith in angels
- Faith in prophets
- Faith in books of revelation
- Faith in an afterlife
- Faith in destiny/divine decree

By this qualification, I believe everyone here is a believer in Islam.

* Actually, the Mahdi comes to serve alongside of Christ in the Islamic scriptures.

* ISLAMIC TRUTH...

I was going to post this for Clergy only, since they have most need of it in their diplomatic outreach, but the information is valuable to all.

In the way that Judaism is based on the teachings of the Torah, and Christianity is based on teachings of the Bible, Islam is likewise based upon the teachings found in the Qur'an. These three books, though 'imperfect' (as are all things touched by human hands), are divinely inspired, and divinely guarded writings.

If you walk into any Christian bookstore, you will find thousands of "Bible Commentaries", which are simply books by authors who may or may not have received some divine guidance, and are trying to better explain points within the Bible. These books MAY or MAY NOT contain elements of truth, and even a few correct prophecies, but THEY ARE NOT DIVINE TEXTS. American Christianity has been completely perverted by these types of books, and American Christians tend to believe the 'end-times narrative' derived from these books, over what the Bible actually says.

Islam is not immune from the same problem American Christianity suffers from. Muslims have been taught their faith for generations, with the help of "Qur'an Commentaries" known collectively as "HADITH".

The Qur'an warns against hadiths: "Shall I seek other than God as a source of law, when He has revealed to you this book fully detailed?" 6:114

The reason I bring this up is because many Muslims will say "Mahdi hasn't arrived yet", or "Dajjal hasn't arrived yet", followed by "because hadith says XXXXX about him", but THAT'S THE PROBLEM, neither Mahdi nor Dajjal are in the Qur'an, they are only found in hadiths, and the descriptions of them vary WILDLY, so obviously hadiths cannot be trusted as definitive truth about either person. Hadiths have revealed SOME correct facts about them, but they are not infallible descriptions, and should not be regarded as such. The person that really matters in the end-times, described BY THE QUR'AN, is Isa (Christ), and that is why Muslims must focus on Isa/RayEl, and not any person from the Hadith.

[http://www.quran-islam.org/articles/a_dozen_reasons_\(P1153\).html](http://www.quran-islam.org/articles/a_dozen_reasons_(P1153).html)

* Just to clarify, some Hadith is correct, but consider this, if the Mahdi and Dajjal were important players in the end-times, wouldn't they have been mentioned in the Qur'an as Isa (Christ-RayEl) is?

Mahdi and Dajjal play a role in all of this, but it is Isa (Christ-RayEl) that Allah has sent to establish paradise.

* Part of being Muslim brother, is believing the Torah... The Torah has identified him as the Mahdi.

<http://torah-codes.net/muslim-islam-mahdi.php>

* Joseph Smith Jr. was a minor prophet, only effecting a small part of the world. There have been tons of minor prophets, but Muhammad was the last major prophet.

* Muhammad was a prophet of the Lord. This designation does not mean that he was free from error. Just look at the crimes of King David.

The modern Western belief that sex at one arbitrary age is the best, wonderful, most joyous thing a person can do... But sex at a different age was vile, disgusting, horrid, etc. etc., was too capricious to be considered practical in the ancient world. Puberty was the time of procreation. Pre-puberty was the time of education in preparation for procreation.

People lived short and difficult lives, and they were more concerned with forming procreative familial bonds, than constructing societal taboos, that would have placed women in 'middle age' by the time they gave birth, if 18 were the age of consent.

* Mahdi will rule (mostly the Islamic world) for a short period, then Isa/RayEl will take over, ruling the entire united world.

* But as to why Islam has been selected, is because they have remained most faithful and true to God. But even Islam will receive some minor corrections. When this is over, there will only be a single and united worship of God, but it will be with the things each faith has correct, and without the things each one got wrong

* We were all wondering why the Lord had us delay the "Address to Islam" sermon, but now we know why, he was waiting for the Clergy to make the Mahdi revelation, so it could be included in the address.

* I now know why there was a delay in Lord RayEl's "Address to Islam" video.

The Western governments don't want to admit that Moktar Belmoktar (Dajjal-Islamic antichrist) is dead, because they need a villain like Osama bin Laden to keep their war effort going. They are now trying to claim that Belmoktar just blew up a French-owned uranium mine in Arlit, Niger, even though the government of Chad released photos of Belmoktar's dead body over a month ago.

Lord RayEl knew they were going to try to resurrect Belmoktar's image to continue their war effort against Islamic territories in Africa, so he was waiting for this press release about the French-owned uranium mine that just came out.

Now he can show the Western governments to be liars, and supporters of the Islamic antichrist.

* Islam will be the final religion of the world. It will be modernized, but it has a simple elegance that reflects Our Lord's commandment of "Love God, love each other".

With Allah's choice setting upon the throne, it will no longer be "religion", it will be the guiding rules of the kingdom.

* ... everyone must remember that the rules of Jewish and Christian prophecy, are also true for Islamic prophecy, and that is that some is simply wrong, or out of sequence, or exaggerated. Anything touched by human hands, suffers this truth.

*** *Breaking the cross & killing the pigs***

Sahih Bukhari Volume 3, Book 43, Number 656:

Narrated Abu Huraira:

Allah's Apostle said, "The Hour will not be established until the son of Mary (i.e. Jesus) descends amongst you as a just ruler, he will break the cross, kill the pigs, and abolish the Jizya tax. Money will be in abundance so that nobody will accept it (as charitable gifts).

Actually, the "pigs" are Americans. When it comes to "raw consumption", Americans consume more: water, materials, fuel, land, energy, drugs, food, etc. than the rest of the world, but they also are the primary exporters of the false Christianity that our Lord has battled, so his attack on America and on American Christians, fulfills the Hadith's "he will break the cross, kill the pigs".

Most Americans are apathetic. They know what evil their country does, but they accept it as long as their belly is full, and their team is on television.

There are billions of people around the world who would give up their hellish life conditions, just to sleep on America's streets. They don't hate Americans for what they have, they hate Americans for not appreciating what they have.

[New Kingdom] Violence will end, because when everyone Loves god, and loves each other, there will be no more need of war.

* Surah 3:50 "(I have come to you), to attest the Law which was before me. And to make lawful to you part of what was (Before) forbidden to you; I have come to you with a Sign from your Lord. So fear Allah, and obey me.

He will modernize it by keeping those things that are good for the world in the New Kingdom, and removing those things that are no longer necessary.

* Surah 3:50 "(I have come to you), to attest the Law which was before me. And to make lawful to you part of what was (Before) forbidden to you; I have come to you with a Sign from your Lord. So fear Allah, and obey me.

The above are true words of Christ RayEl and the Qur'an. He has made what was once forbidden now acceptable, and we should trust that his way is the straight path.

He has clearly told us that no consensual love is forbidden, so if we are obedient to him, we must accept this as truth.

* Brothers and Sisters, I have just returned from an assignment with Lord RayEl, and I wanted to pass some information along to you.

We are in the final phase of operations before Armageddon, and major world events will now become more dramatic and expedited. The most important thing ALL of you can do now, is to work on opening the doors of Islam, as a representative of Lord RayEl.

Second, my duties as Imperial Regent have increased exponentially, and I will not be available here very often, but you are in the hands of finest Clergy in the world, hand-picked by Christ. Please ask them your questions, and if there is anything they cannot answer, they will contact me.

And finally, PREPARE! Those of you who have been "lukewarm" (Revelation 3:16) in your service to Lord RayEl and the mission of The Crown, may find yourself cast into the outer darkness at the time of judgement... Take that really seriously.
This is the "end game" people. There is no longer time to waiver.

Two years ago, when Lord RayEl warned everyone to leave Babylon (America), before his judgement began.

For the 2 years since the Lord's arrival, Jews and Christians were alerted first, but now it is the time of Islam, as they are the most faithful to God. They will be the Lord's "Earth Army" against Satan.

Islam has been faithfully awaiting the Messiah as well, but they are not yet aware that he has arrived in fulfillment of their prophecies, so they must be alerted, from every mosque, to every government they control.

The outer darkness is a place referred to three times in the Gospel of Matthew (8:12, 22:13, and 25:30) into which a person may be "cast out", and where there is "weeping and gnashing of teeth". This is a euphemism for those who will be rejected on Judgement Day.

There is no time to waiver for the world.

* 2 years (plus 2000) have been given to the Christians to get it right, it is really time that we move our focus completely to Islam, and if Christians wake-up and join us, good for them, but there is no more time to drag them along.

* Allah means "The God", and he is the "True God" without equal. He has many servants, and those that come from his realm are historically called "gods" (lowercase "g") and "lords", but they are his servants, not his equals.

*** *Isa, 'Spiritual Son' of Allah***

1) Answering the Muslim question: "Is Jesus (Isa/Yeshua) the Son of Allah?"
Muslims usually say "No", but God says "Yes".

Matthew 3:16-17 After being baptized, Jesus came up immediately from the water; and behold, the heavens were opened, and he saw the Spirit of God descending as a dove and lighting on Him, and behold, a voice out of the heavens said, "This is My beloved Son, in whom I am well-pleased."

Hebrews 5:5 In the same way, Christ did not take on himself the glory of becoming a high priest. But God said to him, "You are my Son; today I have become your Father."

Notice the timing of God's declaration, it's not at the birth of Jesus, but instead it's after the Holy Spirit has joined with Jesus, this tells you that Jesus was NOT the physical son of God, he was the "spiritual" son of God.

When you understand this, you see that both the Qur'an and the Gospels are correct. The Qur'an speaks of Jesus' physical relationship to God, but the Gospels speak of his spiritual relationship to God.

This is why Muslims are commanded to read the Gospels (Sura 5.68), because if they only read the Qur'an, they only learn part of the truth. Those who only know part of the truth, often speak blasphemy against Allah and Jesus out of ignorance of the facts.

So follow the command of Sura 5.68, and learn the Gospel (Injeel) also.

Sura 5.68 Say: "O People of the Book! ye have no ground to stand upon unless ye stand fast by the Law, the Gospel, and all the revelation that has come to you from your Lord." It is the revelation that cometh to thee from thy Lord, that increaseth in most of them their obstinate rebellion and blasphemy. But sorrow thou not over (these) people without Faith.

<http://quran.com/5/68>

2) The Spirit of the Christ comes from Allah (God), which we recognize as "spiritual fatherhood", but he was not physically procreated by God, which is why the Islamic faith doesn't see him as an actual "son".

3) You know that the verses you are referring to are about Isa and Mary being worshipped as other gods, the verses have NOTHING to do with Isa being the Son of God.

Surat 'Āli 'Imrān 3:50 And (remember) when Allah will say (on the Day of Resurrection): "O 'Iesa (Jesus), son of Maryam (Mary)! Did you say unto men: 'Worship me and my mother as two gods besides Allah?' "

Lord RayEl has NEVER told people to worship him or his mother, he always says "Worship Allah, obey me".

So again you have twisted scripture.

And you have a BIG problem Ömer... The Gospels (which Muhammad told you to follow) say several times that he is God's Son, the Gospels even directly quote God saying it in front of the Apostles ---

Luke 3:22 and the Holy Spirit descended on him in bodily form like a dove. And a voice came from heaven: "You are my Son, whom I love; with you I am well pleased."

And don't repeat the old lie that the Gospels have been changed...

They could not have changed the Gospels after Muhammad, since there are around 5,300 manuscripts of the whole or part of the Greek text of the New Testament (Injeel) pre-dating Muhammad still in existence.

Worldwide, there are 24,800 copies of these original manuscripts, these include the Codex Vaticanus (325-350 AD) located in the Vatican library and the Codex Sinaiticus (350 AD) located in the British Museum.

There are also 80,000 quotations in the works of early Christian writers which are so extensive that the New Testament could virtually be reconstructed from them without the actual New Testament documents. Then there is the obvious fact that the Christian Gospels were so widely distributed both before and after Muhammad, that any attempt to change something in the Christian Gospels would have resulted in immediate discovery and condemnation.

4) This is what The Gospel and Psalms say about RayEl (Jesus / Isa) being God's spiritual Son...

Matthew 3:16-17 After being baptized, Jesus came up immediately from the water; and behold, the heavens were opened, and he saw the Spirit of God descending as a dove and lighting on Him, and behold, a voice out of the heavens said, "This is My beloved Son, in whom I am well-pleased."

Mark 1:10-11 Immediately coming up out of the water, He saw the heavens opening, and the Spirit like a dove descending upon Him; and a voice came out of the heavens: "You are My beloved Son, in You I am well-pleased."

Luke 3:22 and the Holy Spirit descended on him in bodily form like a dove. And a voice came from heaven: "You are my Son, whom I love; with you I am well pleased."

Matthew 17:4-5 Peter said to Jesus, "Lord, it is good for us to be here; if You wish, I will make three tabernacles here, one for You, and one for Moses, and one for Elijah." While he was still speaking, a bright cloud overshadowed them, and behold, a voice out of the cloud said, "This is My beloved Son, with whom I am well-pleased; listen to Him!"

2 Peter 1:17 He received honor and glory from God the Father when the voice came to him from the Majestic Glory, saying, "This is my Son, whom I love; with him I am well pleased."

Mark 9:7 Then a cloud appeared and covered them, and a voice came from the cloud: "This is my Son, whom I love. Listen to him!"

Psalm 2:6-8 "But as for Me, I have installed My King Upon Zion, My holy mountain." "I will surely tell of the decree of the LORD: He said to Me, 'You are My Son, Today I have begotten You. Ask of Me, and I will surely give the nations as Your inheritance, And the very ends of the earth as Your possession.

Psalm 89:26-28 "He will cry to Me, 'You are my Father, My God, and the rock of my salvation.' "I also shall make him My firstborn, The highest of the kings of the earth. "My loving kindness I will keep for him forever, And My covenant shall be confirmed to him

Even other sacred writings in The Bible confirm this:

Acts 13:33 he has fulfilled for us, their children, by raising up Jesus. As it is written in the second Psalm: "'You are my son; today I have become your father.'

Hebrews 1:5 For to which of the angels did God ever say, "You are my Son; today I have become your Father"? Or again, "I will be his Father, and he will be my Son"?

Hebrews 5:5 In the same way, Christ did not take on himself the glory of becoming a high priest. But God said to him, "You are my Son; today I have become your Father."

Colossians 1:15 The Son is the image of the invisible God, the firstborn over all creation.

So Muslim, is God lying, or have you simply misunderstood the truth?

*** A Muslims Duty**

As a Muslim you are taught to also believe the Torah, Psalms and Gospel (not the words of Adnan Oktar or any other theorist).

*The Lord's gifts are "conditional". He offered full healing in the healing video, but when people didn't spread it properly, he revoked it.

When we released this video on the free energy device, there were similar conditions, but the world has not accepted The Lord's beneficence, nor given him the earthly kingdom, so I doubt very much he will "give" any gift to the people.

Since he is being forced to take the world by conquest, I would imagine he will probably now only supply power to New Jerusalem, and let the disobedient fend for themselves in the outer darkness.

The people in New Jerusalem will be immortal, and they will share paradise with The Lord... The disobedient will suffer, wither and die in the outer darkness, where there will be wailing and gnashing of teeth (Matthew 8:12).

They will learn that there are no gifts given to the disobedient... Disobedience equals death.

That's what comes from society thinking God and His Christ are just wish granting genies. Man wants everything, but is unwilling to do anything to earn it.

* The Mahdi will learn and use the Torah Code to lead:

Jabir Ibn Yazid al-Jo'fi narrates from Imam Muhammad Baqr:

"...The reason why Hazrat Mahdi (as) is known as Hazrat Mahdi (as) is this; he will be directed toward a secret matter, will extract the Torah and other Divine books from a cave in Antioch and will rule among Jews with the Torah and among Christians with the Gospel.
(Al-Mahdiy al-Mawud, Vol. 1, pp. 254-255)

"The reason why he is called Hazrat Mahdi (as) is that he will head to one of the mountains in Damascus. From there HE WILL FIND THE [TRUE] BOOKS OF THE TORAH and raise evidence against the Jews."
(Suyuti, al-Hawi al-Fatawa, II. 81)

* **Incompatability** [August 31st, 2015](#)

An uncomfortable fact, Western civilization and Islam are not compatible, which is why the Mahdi will be given some time during the beginning of the New Kingdom, to bring the people of Islam into the new age.

CHAPTER 9

JUDAISM, THE TORAH, TANAKH & BIBLE CODE

* Now I can tell you about the fulfillment of this Torah Code.

24th October 2014

The screenshot displays the 'Torah Codes' software interface. At the top, there's a toolbar with icons for navigation and analysis. Below the toolbar, a header bar shows 'Codes: 24th October 2014' and 'Of Tishrei 5775'. The main area features a grid of Hebrew text with numerical codes (1-22) overlaid. A sidebar on the right includes a portrait of Richard Raff and the website 'www.torah-codes.net'. At the bottom, a list of words is shown: 'shoeing, closedown, locking, adjournment, closing, Neilah - 4th Oct 2014', 'adore, like, love', 'biting, bite', 'therapy, cure, curing', 'inflaming', 'opens, OPRAH', and 'for Lear'. A small image of a key and a padlock is also visible.

October 4th was Yom Kippur, a time set aside to afflict the soul and atone for past sins. If you have read Isaiah 53, you know that Our Lord has suffered long for His people Israel.

On the day of Yom Kippur, Lord RayEl was standing in our galley, when suddenly there was this loud "SNAP!!!", and He buckled, just catching Himself from falling to the floor. He was in tremendous and excruciating pain, and He could barely move. He didn't want anyone in the room helping Him, and by sheer force of will, He hobbled back to His chamber.

His lower back was inflamed, and once in bed, moving His legs or turning over seemed almost impossible without gut-wrenching agony, it was as if His back had broken, and he was practically crippled.

What none of us realized at the time was, He was made to give one last symbolic atonement for Israel's sins, and the reason it was His back that gave out, was because Israel has carried the weight and burden of the world.

We didn't tell any of you about this because He didn't want any of you to worry, which as we know is His way (Isaiah 53:7 ... he was afflicted, yet he opened not his mouth).

On October 24th, Ne'ila, His atonement affliction had been lifted, and He leapt from His bed, walked perfectly, and I even witnessed Him in the workout area lifting weights.

****"Why didn't I find 'RAYEL' when I searched [The Bible Code]?"***

Lord RayEl's name has been discovered over 300 times already, with intimate details proving the validity of the discoveries, but "RayEl" is a proper name, not a common word, so if the program you're using doesn't have "RayEl" in its dictionary, it won't recognize the word when it sees it. Torah Code programs are similar to playing Scrabble on a computer, because Scrabble may come with an English dictionary, but when new words are added to the English language like "selfie", Scrabble may see the word, but not recognize it until the installed dictionary is updated, and the new word is added. So in conclusion, "Lord RayEl" is found throughout the Torah/Bible Code, but unless you put the proper spelling of his name into the program's dictionary, the program won't recognize it.

* ARE YOU JEWISH?... Your help is requested.

The famous Rabbi Kaduri prophecy of Lord RayEl, suggested that Mashiach would fully reveal himself to Israel shortly after Ariel Sharon's death (Ariel Sharon died earlier this year). Rabbi Kaduri intimated that it wouldn't be the Rabbis or Torah scholars who would first accept Mashiach, it would be the average Jew.

I'm sure this will come as no surprise to you... Our Gentile Clergy is running into brick walls with Rabbis, not because they lack evidence, it's because they lack a Bar Mitzvah (you know what I mean), and they need your help to fulfill the Rabbi Kaduri prophecy.

I'm asking you to do a mitzvah for Mashiach, and put your name below here, so one of our Clergy can contact you for assistance in reaching out to the Rabbis... He will remember you for what you do.

Ruby is a "confirmation" of Our Lord's displeasure with Christians in the region continuing their "detestable" version of 'Jesus worship', even after his continued chastisements upon them. It is the 'Bible Belt' of Asia, so they are being treated just like the 'Bible Belt' of America.

* THE TALMUD SAYS MOSHIACH COMES NOW!!! ([August 4th, 2015](#))

If you run into a Talmudic Rabbi who doesn't believe this is the time of Moshiach's arrival, educate them on "Sanhedrin 97":

[Babylonian Talmud: Tractate Sanhedrin](#)

1. "scholars will be few in number".

According to a recent study by the University of Hartford, the average IQ world wide is at its lowest level since 1950.

<http://latest.com/.../yes-becoming-stupider-study-shows-worl.../>

2. "as for the rest, their eyes will fail through sorrow and grief. Multitudes of trouble and evil decrees will be promulgated anew, each new evil coming with haste before the other has ended."

According to the International Committee of the Red Cross (and daily news reports), the world is in the grip of unprecedented suffering, with this generation experiencing more depression, crime, disease, war, pestilence, plague, civil/social unrest and global anguish than any prior generation; all happening in rapid succession.

<http://www.worldaffairs.org/bl.../633-suffering-new-bold-ideas>

3. "in the seven year cycle at the end of which the son of David will come-in the first year".

This is the prediction that Moshiach will take his throne in Israel after this Shmita ends in September.

4. "I will cause it to rain upon one city and cause it not to rain upon another city".

When Lord RayEl arrived in 2011, he announced and carried out multiple chastisements upon the nations.

The Earth Institute at Columbia University declared 2011 "The Year of Drought and Flood".

<http://blogs.ei.columbia.edu/.../the-year-of-drought-and-flo.../>

5. "arrows of hunger will be sent forth... a great famine".

The droughts and floods have brought great famine to many areas, causing massive death and devastation.

<http://www.theguardian.com/.../planet-climate-change-risk-dro...>

6. "Torah will be forgotten by its students".

Many Rabbis today have little or no Torah education, opting instead for "Talmud only".

7. "partial plenty... great plenty, when men will eat, drink and rejoice".

Some countries have implemented new farming methods, and are having their best harvest.

<http://www.usaid.gov/.../success-st.../best-harvest-thirty-years>

8. "the Torah will return to its disciples".

As the Torah Code gains popularity, Torah scholarship is now increasing.

9. "Heavenly sounds".

The shofar is being heard from the sky around the world.

<https://youtu.be/neU9ARqW4cw>

10. "wars".

Wars are erupting around the world.

<http://www.warsintheworld.com/?page=static1258254223>

11. "at the conclusion of the septennate the son of David will come".

The Davidic Lord RayEl is planning to arrive in Jerusalem after the middle of September.

SO AS YOU SEE, POINT BY POINT, THE TALMUD'S CONDITIONS OF MOSHIACH'S ARRIVAL HAVE BEEN MET.

CHAPTER 10

MASONRY, THE KNIGHTS TEMPLAR, ILLUMINATI, & OTHER SECRET SOCIETIES

* Do you not recognize our Grand Master? Why do you think he came back through the Templar line (York Commandery, Wayfarers Lodge #1001)?

But keep in mind that the Enoch prophecy was symbolic (obviously, since Enoch came long before JBM), signifying that 'the last Grand Master will be the King'. Because RayEl is a Templar, and he is Christ, he is therefore the last Grand Master, thereby fulfilling the Enoch/JBM prophecy.

He has also fulfilled the less understood HA Masonic prophecy.

The Bible makes multiple references identifying the Messiah through variations on: "The stone the builders rejected has become the capstone". As you know, Freemasonry is the esoteric "Guild of Builders".

In early adulthood, RayEl was invited into the Masonic brotherhood. Quite unexpectedly, he was mistakenly black-balled, when senior Lodge members were trying to reject a different candidate.

The Masons believe that their Master was "a stone originally rejected by the builders". Later, the Masons rectified their error, and RayEl was brought into the Craft, and up through the Knights Templar.

Incidentally, in Hebrew Sacred Gematria, "Ra-El" (the accepted Hebrew short-form of his name) = 231, a number with a transliteration that means "Masonic", further identifying him as the "Builder of the Temple".

* Lucifer isn't actually a name, it's a title meaning "Light Bearer".

Some of you who have studied the history of the Knights Templar, know that we were persecuted by the Catholics as "Satan worshippers", partially because we used a "pentagram", but the pentagram (5 pointed star) is actually the path Venus takes in the solar system, and as many of you know, Venus is the "morning star", meaning before dawn, it gives light (light bearer), which is why the ancients called Venus "Lucifer", and why we used the symbol, because it was a symbol for Christ, not Satan.

* Honestly, there is a reason I don't have my picture here. Knights in our order take a vow of "extreme humility", because we see ourselves as nothing without our Lord. Our vow prevents us from speaking of ourselves, or drawing personal attention to ourselves, so we tend to be just anonymous, and we have vowed to stay that way until our Lord takes the throne.

* Rosicrucians are spiritual brothers of us Templars, and our Lord's biological father was one. Since our Lord became a Templar Knight Masonically, he too is a Rosicrucian.

* The Knights Templar had a commission, and after all of these centuries, we will have fulfilled that commission when he takes the throne, so at that time we will be released from our vows, decommissioned, and replaced by the Ecumenical Knights of Lord RayEl.

* The "Great Work" is the commission given to those who have worked behind the scenes, to bring the New Kingdom to fruition. Many of them look like villains, but they all played a crucial role in bringing Man to this point in time.

* ...the apprenticeship is 3 years long, and there just isn't that much time left on the game clock.

There are two alternatives:

1. We officially recognize Masonic Templars as valid, and their process is much shorter.
2. The successors of the Knights Templar are the Ecumenical Knights of Lord RayEl, which are an ecclesiastic military order commissioned within the Lord's Clergy. Those wishing to enter this knighthood, should speak with [Cardinal Richard Ruff](#).

* The Bible makes multiple references identifying the Messiah through variations on: "The stone the builders rejected has become the capstone". As most of you know, Freemasons are the esoteric "Guild of Builders".

* In early adulthood, RayEl was invited into the Masonic brotherhood. Quite unexpectedly, he was black-balled and rejected (something that is nearly unheard of in modern U.S. lodges). The Masons believe that their mythical master was "a stone originally rejected by the builders". Later, the Masons rectified their error, and RayEl was brought into the Knights Templar, who are believed by modern esoteric researchers to be the "Guardians of the Holy Grail and the true bloodline of Christ".

Incidentally, in Hebrew Sacred Gematria, "Ra-El" (the accepted short-form of his name) = 231, a number with a transliteration that means "Masonic", further identifying him as the "Builder of the Temple".

ChristHasReturned - Illuminati - [Link](#)

* We are Templar Knights, also known as "The Poor Fellow-Soldiers of Christ and of the Temple of Solomon", and we live up to that title.
All money goes to the cause, luxury is a foreign concept to us.

* Illuminati means "enlightened ones", so all of those who have worked behind the scenes, whether on Team Anunnaki or Team Reptilian, are all still "Illuminati".
We differ on methodology and certain philosophic principles, but we share the same knowledge of the "Great Work" to evolve Man and create the New Kingdom.

* Illumination is neither good nor evil, for the Illuminati are simply "those who know"... But by possessing the knowledge of good and evil, one has the choice to do with it as he/she will.

* ...could you imagine how a car would look if none of the engineers collaborated? How about building a city where none of the construction workers planned together?

The Illuminati and Freemasonry have been the engineers of the New Kingdom, collaborating throughout history, so that God's Earthly Kingdom would be prepared now. The New World Order is that Kingdom.

Those who cannot see the big picture of history, oppose the NWO and the Illuminati, but it is done out of ignorance.

And yes, you do see their signs everywhere, because their job is much greater than simply building edifices... They are building society and humanity into worthy subjects of the Kingdom.

But you should watch this video, if you want to gain true clarity on the subject.

*** *The Templar Reformation***

Most of you are unaware that Templar Knights around the world have been split into factions for quite some time, but quietly, behind the scenes, a "TEMPLAR REUNIFICATION" has been underway since Our Lord's return.

The following video was distributed very limitedly, primarily among Templar Commanderies, but because there are now several factional Templars within this congregation, I am going to repost it here, and encourage all of you to distribute it to Commanderies of Christian Knighthood everywhere.

Right on schedule...

Remember General Albert Pike's (33^o) 1871 letter describing the fomentation of World War III?

Quote: "We shall unleash the Nihilists".

[Islamic State recruitment document seeks to provoke 'end of the world'](#)

For those wondering why we put (33^o) After General Albert Pike's name, it's because he was a 33rd Degree Freemason.

"The Third World War must be fomented by taking advantage of the differences caused by the agentur of the Illuminati between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam and political Zionism mutually destroy each other."

CHAPTER 11

THE EXODUS, BAJA, THE CONGREGATION & MT. ZION

* **WHO ARE WE?**

It may seem trivial, but people often ask "What do followers of Lord RayEl call themselves?"

- He is Christ, so technically we are "Christian", but our illumination makes us far different from the modern-day Nazarenes.

- He obeys his Father, and desires us to worship only his Father Allah, which makes both him and us "Muslim".

- He is the light of the word, and the Morning Star, so both he and the Bible rightfully declare that he is Lucifer (not Satan), making us "Luciferian".

- He is the 'capstone' that the secret orders of history have waited for, and since we are directly under him, we are "Illuminati".

But, there is a title you carry that may surprise you... You are "Elite".

"EL" (Allah/Anu) is the supreme God, and the suffix "ite" (sounds like kite or bite) refers to followers... Since you follow Lord RayEl, and since it is only through him that one comes to the Father... You are "ELite".

Some might want to go a step further, and call themselves "RayElite" (sounds like "Ray of light").

So, what do you call yourself?

* Baja is a temporary refuge for those who obey The Lord's command to leave America/Babylon, it was never designed to be a permanent destination.

Mt. Zion (as the Bible tells) is the final safe destination for the faithful during the world's chastisement, but the government of Israel is presently in turmoil, as the Battle of Armageddon foment, so bringing pilgrims there too early would be problematic, therefore Baja acts as a "protected zone", while behind the scenes Zion is prepared.

Baja shows The Lord who among the Americans is obedient, faithful, and worthy of going to Zion, while keeping his faithful children protected from the judgement being laid upon America.

* As soon as the Middle East Operations Center is complete, Clergy, Knights, and Congregation Members will be invited to work along side of each other, and our Lord, as we hunker down for the final chastisements.

* ...it will be a command center, where we will run all military and clergy operations from, until New Jerusalem lands.

We will be abandoning our other commanderies, and centralize everything there, because our other locations just won't be safe when the big stuff hits.

* ***The falling away of Members of the Congregation***

If 2 years later they experience doubt, it does not change the events that happened then.

Is St. Peter no longer an Apostle, because he denied Christ out of fear? Does his denial change the history he was a part of.

* Members of this Congregation, especially the Clergy and Knights, are under surveillance from the Reptilians, because you are the seeds of the New Kingdom, so you can expect interactions with them, both positive and negative.

* Much of the Congregation will be sheltered during the final chastisement at our Middle East Ops Center, stick with us, and you'll meet me there.

* **America ([July 25th, 2015](#))**

1. If you buy items or work, you pay taxes that go to support an evil and corrupt government that murders innocent people around the world... If you paid money to a hitman, you would be guilty of supporting his crime, supporting your government makes you no different, and makes almost no American "innocent".

2. America is constitutionally a government ruled by the people, so again, you and everyone else there has a moral responsibility for your government's actions... If you or anyone else there is too lazy or afraid to correct the government, by whatever means are necessary, it does not remove your guilt.

3. Unlike totalitarian regimes where the people are kept completely clueless about what is happening, Americans have more access to information and truth than nearly any other people on Earth, so the excuse "I didn't know" is not acceptable.

4. Excuses like "I'm poor - I have a family - I'm just one person - yadda yadda", were not good enough for your country's founders, who willingly laid down their lives to give you the country you now take for granted.

And as far as leaving, I again remind everyone of the poor Hebrew slaves that left Egypt with only what they could carry, and walked for 40 years across the desert to obey The Lord's "exodus" command... If you think traveling a few hours to Baja, in an air conditioned car on paved highways, with McDonald's at nearly every exit is too harrowing in comparison, then you serve a different master.

* **HE JUST PULLED THE TRIGGER!!! GO!!! GO!!! GO!!! ([August 11th, 2015](#))**

Lord RayEl Tweets: "It's Time"

- The word I am receiving is that this is primarily for EVERYONE other than the Baja Team, and certain key Clergy members who will be moved separately... ALL OTHER FOLLOWERS OF THE LORD ARE TO BEGIN MAKING THEIR WAY TO MT. ZION NOW!!!
- I am now being told that upon arrival, you are to request "POLITICAL ASYLUM" so that you may enter the country.

An investigation into your request will take months, so don't worry about it, this is just to get you in.

- The Baja Team is in the process of making the path smoother for everyone's arrival, and once Our Lord arrives there, the government will acquiesce to the needs of our pilgrims.
- **SAFETY IN ISRAEL** – [September 17th, 2015](#)

It has been brought to my attention that some of you are afraid to go to Israel BEFORE the Battle of Armageddon and final chastisement, because you know Israel is going to get its collective ass whupped, but what you aren't taking into consideration is that MT. ZION WILL BE PROTECTED, and the rest of the world will be punished, and even if you somehow survive that, getting to Israel by conventional means, once the poop starts hitting the fan, will be almost impossible, meaning... GO NOW!!!

Joel 2:32: And everyone who calls on the name of the LORD will be saved; for on Mount Zion and in Jerusalem there will be deliverance, as the LORD has said, even among the survivors whom the LORD calls.

Obadiah 1:17: But in mount Zion there shall be those that escape, and it shall be holy; and the house of Jacob shall possess their possessions.

Isaiah 46:13: I bring near my righteousness, it shall not be far off, and my salvation shall not tarry; and I will place salvation in Zion for Israel my glory.

Psalms 53:6: Who will come from Mount Zion to rescue Israel? When God restores his people, Jacob will shout with joy, and Israel will rejoice.

SIGNS IN THE MEDIA

- **THE DEAD WILL RISE**

Time for a WTF fact: THE DEAD WILL RISE according to the Bible, the Quran, and even Nostradamus. Add to that the constant recent warnings from multiple governments about a "Zombie Apocalypse", and you would be justified in having a concern... But what if the Illuminati has already told you when it's going to happen? In 2007, the box office hit movie "I Am Legend" was released, showing a post-apocalyptic America, dealing with zombie-like hordes. It also showed a movie poster from a film originally scheduled to be released NEXT YEAR. Of course the fact that every recently staged American crisis has had a connection to Batman (look it up), should be no reason to panic.

- **GAME OF THRONES**

This is among top 2 news stories... Why?

You may have noticed that "Game of Thrones" episodes are being treated like actual news (much like the X-Men "Apocalypse" revelation), and you should be wondering why?

The simple answer is, you are being psychologically prepared for the immediate future, in this case it's preparation for life in a feudal system under one primary king, and several ancillary kings, queens, governors and lords.

- **The Lord of the Rings**

I could lift you up
 I could show you what you wanna see
 And take you where you wanna be
 You could be my luck
 Even if the sky is falling down
 I know that we'll be safe and sound
 We're safe and sound
 I could fill your cup
 You know my river won't evaporate
 This world we still appreciate
 You could be my luck
 Even in a hurricane of frowns
 I know that we'll be safe and sound
 Safe and sound
 We're safe and sound
 Safe and sound
 We're safe and sound
 Hold your ground
 We're safe and sound
 Safe and sound
 I could show you love
 In a tidal wave of mystery
 You'll still be standing next to me
 You could be my luck
 Even if we're six feet underground
 I know that we'll be safe and sound
 We're safe and sound

Safe and sound
 Safe and sound
 Hold your ground
 Safe and sound
 I could lift you up
 I could show you what you wanna see
 And take you where you wanna be
 You could be my luck
 Even if the sky is falling down
 I know that we'll be safe and sound
 I could lift you up
 I could show you what you wanna see
 And take you where you wanna be
 You could be my luck
 Even if the sky is falling down
 I know that we'll be safe and sound
 We're safe and sound
 We're safe and sound
 We're safe and sound
 We're safe and sound
 Safe and sound
 We're safe and sound
 Safe and sound

CHAPTER 13

MISCELLANEOUS INFORMATION

*** *Your duty as a 'watchman' for Christ's return***

If you read the Bible, you know that the responsibility is upon YOU to be watchmen on the wall, it is not his responsibility to wake you from your slumber.

Why people were told to watch. We always knew that this period would be controlled by Satan, so the followers of Christ had a responsibility they have not taken seriously, and yes, many will be lost as a result.

Christ gave all of the major signs to watch for that would herald his return, and they have happened, but Christians are still sitting in church, ignoring what is happening in the world. Christ gave the warnings, the events have happened, and he's here as promised, and that video documents it all.

Matthew 10:33 But everyone who denies me here on earth, I will also deny before my Father in heaven.

WHICH IS WHY YOU ALL SHOULD NOT BE AFRAID TO GO OUT AND PREACH!... Our Lord is truly with you, just look what happened when Donnon Russell told a preacher about Lord RayEl in front of his congregation. The preacher denied Lord RayEl, and his nose started gushing blood! Our Lord is with you, you are his Disciples... Go forth without fear!

* You can say just about any cuss words you want, and it doesn't bother the Lord, but to "damn" someone, or to say that someone should "go to Hell", truly angers him, because these are the worst possible things that could happen to a person, and to flippantly wish these curses onto someone, is a very evil act in his eyes.

Satan has tricked people, and made these seem like common phrases, and they are even used regularly on TV as if they are unimportant, when truly, they are the worst form of vulgarity there is.

Love each other, don't damn each other.

* We live and we learn. Everyone feels stupid and confused, but it is how people act in that uncertainty, that displays the true measure of their character.

Nearly everyone would do the right thing, if they knew the right answers for an absolute certainty, but when people don't know for sure, then they must make decisions based on the development of their individual moral and intellectual compass, and it is only by these decisions, that they can fairly be judged.

* The technological achievements [of mankind] have been planted by external means, so I'm sure Lord RayEl doesn't have a strong opinion on that.

*** *Who is Lord RayEl's favorite musical artist?***

He has a quite diverse taste in entertainment, I believe his 2 favorite musical artists are Sarah Brightman and Enigma.

Google "Enigma - Gravity Of Love", you should find one of the original videos. The song and the video are very significant. It is a strong reflection of Annunaki culture.

But Sarah Brightman's voice of an angel has been known to bring him to tears... Not to mention her stunning resemblance to Magdalene.

* Most of the Battle of Armageddon will be fought by Earth's forces, but if Satan does not accept our change of command, then we let the fleet get involved.
The Battle of Armageddon will be less about good vs. evil, and more about destroying the old kingdom, so that the New Kingdom can take its place.

* Satan's team believes that Man is far too inferior to progress into the next stage of evolution, and to prove that point, they enjoy waving the truth in the faces of the masses, and watching how few will accept it.
Unfortunately, more often than not, the people will accept the comfortable lie, over the obvious truth...
Thereby proving Satan's team right.
So when they do big things, they announce it, and sit back comfortably knowing it will make little difference.

* In her present incarnation, Mary Magdalene is openly bisexual. Our Lord's love for her is beyond measure.
Our Lord practices what he preaches... Love God, love each other.

*** *Which version of the Bible is best?***

The Aramaic in English Bible may be the best of the English Bibles available today.
The Kolbrin Bible is [also] highly accurate.

* Love is an emotion, God is a person.
An emotion cannot grant you salvation and immortality. Accepting the Lord can give you salvation and immortality... A chance to love forever.
per·son (noun): a self-conscious or rational being.
Yes, God is a person.

*** *Dreams & Deja Vu***

The brain requires some 'down time' to destress from the struggles of life. In the same way the body just needs frivolous joy or relaxation occasionally, so does the brain. Dreams are simply a manifestation of this. People like to place great significance on their dreams, because to them, it feels like the closest thing to a supernatural experience, but it really is just the brain being frivolous... But, the exception to this is 'genuine visions'.

If you remember when you were a kid, playing with a walkie-talkie or Mr. Microphone, you could get your voice onto a radio that was not locked onto a station with a strong broadcast signal. When the brain is in sleep or deep meditation mode, it can similarly be patched into by an external communicator, and a guided image (vision) can be implanted.

Deja Vu falls into the realm of visions. The best way to decide if something is a vision or a dream, is to gauge its accuracy.

*** *Removing Demons***

Rebuke them in the name of Lord RayEl, and they shall flee. We have had many in the same situation as you, and once the name of power was invoked, the demons quickly left.

*** *Dragons***

Cultures all over the world describe dragons in their ancient legends, even before any of these cultures interacted with each other, so either they all saw dragons and described them, or they all just coincidentally made up the same fable.

Add to that the fact that map-makers were considered to be among the most important and sober professionals employed by monarchs, whose very lives and livelihoods depended upon their accuracy, yet many of them included warning areas on their maps where dragons were known to be.

*** *The 4 Horsemen of the Apocalypse***

Yes, all horsemen have come, and are still riding.

*** *GMO Food***

Some things have been modified without a problem, but many of the GMOs will have to be eradicated

* The "Book of Life" I can't disclose, but I think you guys already have figured out what it is.
The Bride is Mary Magdalene. She has reincarnated to be with our Lord for each of his incarnations.

Only bad news for those who are not to be found in the Book of Life. For the chosen of God, this is the beginning of paradise.

* So God should answer your prayers, and the Church and Clergy should minister to all of your needs, but you should do nothing in return... And how exactly is that "enlightened"?
That's just using God and the Church as suckers, and refusing any responsibility.

*** *PERSPECTIVE: What is "enough" work for the Lord?***

The question has been brought up in clergy conversations many times, and the answer is simple... "How much has our Lord done for you?"

When we look at the gift of life you've been given, and the many incarnations he has suffered through, including his most famous crucified one, to make an everlasting kingdom for for his chosen, could any of us truly "do enough" to repay him?

And when we speak of perspective, let us not forget the Apostles we all follow, who spread our Lord's message ON FOOT, walking through the desert from town to town, starving, homeless, being arrested, beaten, and killed, all to save souls.

Today, we live in a world where a modern Apostle can sit on his comfortable bed in his underwear, eating macaroni & cheese, while using the phone and internet to contact thousands of people everyday, without fear of being martyred for his effort.

Sometimes... Most times actually, we forget how hard our predecessors had it, and how little is asked of us today. So it's time we ALL stopped whining about how hard we have it, and realize just how good we have it, and how comparatively low the price of our salvation is, compared to those who gave us this opportunity.

* True repentance is NOT the fear of being punished for doing something wrong, it IS genuine remorse for doing the thing that is wrong.

* His feelings for Mary Magdalene were repeated in a cornerstone of his philosophy:
Matthew 21:31 "Verily I say unto you, that the publicans and the harlots go into the kingdom of God before you.

* Yes, but there is a second symbolic reason that he chose to say that prostitutes and tax collectors were welcomed first into the New Kingdom.

Prostitutes give of themselves to make others happy. Tax Collectors ensure that everyone shares equally in the responsibility of providing for the community.

The meaning behind these two professions, is the crux of his teaching.

*** *What's with the Pyramids?***

Pyramids were placed at very specific locations around the world, for very specific reasons, but for this I must simply say "wait and see".

*** *Starting a church***

When one is preparing to start a Lord RayEl Church, Prayer Group, or Bible Study Group, one usually has to siphon off members from an existing church (this is how most ministers start their churches). The problem is, how do you steal members from other churches, when most ministers refuse to let you talk about Lord RayEl to their flock?

The solution: You are now an "End Times Prophecy Lecturer". Pastors love to invite lecturers to speak, because it excites the flock, makes their job easier, fills up the church, and increases their tithe collection.

Here's the trick... You will speak about the different fulfillments of End Times Prophecy we have taught you here, but you won't mention Lord RayEl, you'll just tell them at the end of your lecture that "There is one piece of prophecy that is HUGE, BIGGER THAN ALL THE REST OF THIS, and it is being hidden from the public... But they'll have to come to a second lecture to find out about it".

Now you have a church full of people who, thanks to you, suddenly realize that they are living in the End Times. They are both excited and scared, and they will go to your second lecture to learn the whole truth.

You set up a meeting place for your second lecture (many places will let church groups use a facility for free), and there you show them the proof of Lord RayEl, and you begin your new church, with your room full of excited followers.

And yes, you may collect tithes to cover your needs.

This is a little sneaky, but you can use this method to convert entire churches, and they will willingly follow you, once they learn that their pastor has been hiding this from them.

Now go forth in the name and blessing of the Lord.

* One man may see a movie, and call it "hokey", while the next man may think it deserves an Oscar. We must guard against trivializing the important messages and facts, simply because something may not appeal to our personal taste.

As for believing in, and loving God, one must start with the realization of science's lie, that such perfect systems could appear without a hand guiding them, then one must learn to appreciate the artist behind the art, and with that appreciation comes love.

*** *Before the Holy Spirit Indwelling***

We had been preparing him psychologically for months, because having a second personality invade the primary one, would be unbearable for most people, with one as powerful as our Lord's, it would completely overtake the primary without proper conditioning. With our help, the fusion was very smooth, and the two integrated into one perfectly.

* Lord RayEl does not love everyone, if he did, he wouldn't have to separate the wheat from the tares. But you are right that religion has done great harm... But Christianity is the worst offender.

When you look at the Western prison population (most notably the U.S.), you will find that more than 80% identify themselves as "Christian", and these are murderers, rapists, drug dealers, and every other kind of criminal you could imagine.

Are there evil people within Islam? Of course... Are there more evil people within the ranks of Christianity?... The numbers speak for themselves.

And keep in mind that it is Christian Western armies that are invading the Islamic world, bombing innocent families on a daily basis, with drones and other devices.

* It's not the beginning of the end... It's the end of the beginning.
It's the end of the old kingdom, and the old birth-death-birth cycle.
It's the beginning of the New Kingdom and eternity.

Testament of Levi 5:12-16

12 And after their punishment shall have come from the Lord, the priesthood shall fail.

13 Then shall the Lord raise up a new priest.

14 And to him all the words of the Lord shall be revealed; and he shall execute a righteous judgement upon the earth for a multitude of days.

15 And his star shall arise in heaven as of a king.

16 Lighting up the light of knowledge as the sun the day, and he shall be magnified in the world.

* Meditation is great for relaxation and personal centering, but it has been the prophets who have delivered God's wishes upon the people. The rules for a society to live by cannot be found in a Yoga position.

But you are right that religion has brought much war and conflict. This is why Islam (modified) will be the final word, because it teaches love, faith, and unity, but since there will be no other religions, the more harsh things can be eliminated... It can finally be a world of peace.

* Because a specific point is not addressed in the Bible, that does not invalidate the point. You can't use lack of information as denial of information.

The Bible is a collection of writings, compiled by the Romans, it is not the point by point guidebook for every event of human history.

* Lord RayEl works in mysterious ways.

The truth is, he has been gathering together those who've honorably served with him before. That was your "reactivation letter".

* Our Lord keeps his word...

Malachi 3:10 "Bring the entire tithe into the storehouse that there may be food in my house. So put me to the test in this right now," says the LORD of the Heavenly Armies, "and see if I won't throw open the windows of heaven for you and pour out on you blessing without measure.

* Harold Camping [One of the "Two Witnesses"] had millions of followers all over the world, and not one of them told him about Lord RayEl fulfilling his prediction. Do you know what kind of force would be necessary to keep millions of people from letting him know?

We sent out emissaries to him, mailed him, posted messages in forums to him, called him... EVERY effort was blocked, why? because if one got through, he would have gone on air and declared he was right, and Satan's media would have had to report on Lord RayEl's arrival, and from the last video we released, you know what turmoil that would have caused.

*** ALL HANDS NEEDED NOW!!!**

This coming week, you all have a specific duty to perform for Lord RayEl. Everyone asks "How can we prove ourselves to him?", well I'm giving you a way to start.

EVERYBODY.... E-V-E-R-Y-B-O-D-Y needs to contact: Mosques, Islamic Clerics, and Diplomatic Embassies of Islamic Countries. If you all do it, there is no way they can ignore this.

You must tell them that "ISA" (Jesus) has arrived, and that Mahdi will show himself soon. You must send them to www.RA-EL.org to get all of the proof, and you must tell them that this is "URGENT"!

The faster we get this accomplished, and the Middle East Operations Center opened, the faster we can move all of you to a safe location to ride out the final cataclysms.

This is it people, time is up!!! You are the Disciples of Christ, you must do what is expected of true disciples.

*** ...the Christian churches in America, and in most of the world, are "businesses". They care about making money, not saving souls.**

If the Christian churches tell their followers that Christ has returned, they would go out of business, because the return of Christ means the end of the "church age". Nobody would follow the priests, they would follow Christ directly.

So, as you see, church leaders are keeping this a secret, so they don't lose money and power.

*** Suffering is good for the soul.**

People don't experience spiritual growth at Disney World, they usually experience the most growth through adversity.

When this is all over, you will look back and see that every experience was absolutely necessary for you to achieve enlightenment.

*** The Jerusalem event was videotaped by several eyewitnesses, and even a government weather camera. As for the fusion process, Raymond Elwood was already in Templar custodial protection awaiting the event. We all witnessed the fusion first hand.**

*** An undisciplined child, is an unloved child... Look at what your race does when left to their own devices.**

*** What comes from the heart my friend, is more important than all of the gold in the world.**

Controlling things and creating things out of thin air, are two vastly different things.

The demand was during a period when Nibiru was in great need of gold to reinforce their depleted atmosphere. No such emergency exists now.

Today his only concern for gold, is for Man to learn that "communion" is the necessity of all people to share the burden together.

*** Our Lord loves his family brother, and this board is filled with testimonials of answered prayers... You have now come into his family, your heart will be healed.**

*** The philosophical baptism is embracing the light of the Lord, by accepting him and his wisdom. It is this illumination that takes Man out of darkness, and brings him into everlasting light and life.**

Symbolic alchemy... Man being transmuted from lead to gold. Lead represents Man before enlightenment, gold represents Man after the enlightenment attained from the experiences the history of building the kingdom has provided.

* When people like yourself are so sure that God is whispering in their ear how special they are, and how important their mission is, yet these same people don't have a clue about Christianity, and cannot for a moment see how deluded they've become... Well, as I said, it's either laugh or cry.

It's not like we don't try to help, we provide more proof than has been available in the last 2000 years, but some people don't care about proof, they only care about the version of reality they've created, and we become the enemy for trying to inject truth into that self-aggrandizing and damnable lie.

Hosea 4:6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.

**** What's with Lord RayEl's accent?***

Spirit memory. His last incarnation was King Arthur. When the world watched his Holy Spirit return over Jerusalem to unite with him, the memories and mannerisms of his last incarnation manifested within him as well.

**** Tattoos***

The Lord frowns upon it, but only for reasons of health and short-sightedness. Health because the skin is not a piece of cloth, it is a vital organ, and to purposely damage an organ is neither logical nor responsible.

The short-sightedness is the fact that most people don't like their clothes or hairstyle very long, so to put a permanent mark on one's body, that will eventually be regretted, is not showing forethought.

It's not a thing that will cause someone to lose salvation, but it is something that is not celebrated by him.

It is also not something that will cost a person salvation, He has even complimented the beauty of some better artistic tattoos, it's just something that he would prefer people did not do to themselves.

**** Drug use***

Hemp Seed Oil is highly recommended for its health benefits, while smoking of any kind is not approved of. Quit Smoking! The fog of deception will soon clear from your temple and the Light of Christ will enter.

A glass of red wine at dinner is very beneficial to your health, 6 glasses is not.

**** How to pray***

Matthew 6:9-13

In this manner therefore pray ye:

Our Father who art in Heaven, hallowed be Thy name.

Thy Kingdom come. Thy will be done on earth, as it is in Heaven.

Give us this day our daily bread.

And forgive us our debts, as we forgive our debtors.

And lead us not into temptation, but deliver us from evil. For Thine is the Kingdom, and the power and the glory for ever. Amen.

**** Explanation of events after Yeshua's crucifixion 2,000 years ago***

As our Lord explained in the video, his death was necessary to open the tunnel that allowed the trapped souls of Earth to escape. The tunnel of light is a point-to-point technology, and the moment he began to leave his crucified body, the Annunaki were able to lock on to his energy signature, and establish a stable connection.

After the crucifixion, his spirit descended to the location of the trapped souls, and he released them. Some took the tunnel, some chose not to, and many of the ones that didn't take the tunnel, began materializing around the area.

He then appeared to Mary Magdalene, just before being transported up to the ship.

The soul of the original host body had merged into his spirit, so there was no further separation.

His body was placed in the tomb after the crucifixion, and then the ship transported his body out of the tomb (causing the imprint on the Shroud), and brought it to the ship.

The Annunaki merged his spirit back into his body, and resuscitated it.

He then went "on tour" as we call it, appearing where necessary to prove the validity of his claims.

Yes he did have the ability to pass through objects in his physical body, but there was a ship helping, in the same way abductees today speak of being brought through walls.

He was later lifted back up to the ship (the Ascension), but before returning to Nibiru, he made several stops around the world, passing his wisdom on to key individuals.

Now this is obviously an extremely condensed version of events, but this is essentially what took place.

**** Man's progression***

1) The people were moving ahead too fast technologically, but were still immature socially and spiritually. Without balancing the three, Man would have been in space a long time ago, but he would have been a danger to everyone. That "speedbump" was necessary to slow down Man's technological motion, until his maturity could catch up.

2) Humans do reincarnate together in familiar groups, so this is a trait you share with the Anunnaki, but until you become fully aware of who you are inside that shell, incest is not recommended, because it can make relationships very uncomfortable for families.

It's not wrong to go into the ocean, it's only wrong if you don't know how to swim.

We are not hypocrites... Our Lord clearly told us that no love was forbidden, and that the only conditions placed upon relationships were that they were mutually responsible and consensual, so we cannot condemn any love that meets those requirements.

Society will condemn what it does not approve of, but the opinion of what's socially acceptable changes from group to group, and from year to year (remember, it was socially acceptable to hang black men for having sex with white women just a generation ago, and it's still acceptable to execute homosexuals in much of the world), so we must not base our acceptance on society's standards, but only on The Lord's standards.

3) As we grow, a lot more spices are being tossed into the stew... Not all taste good, but it is a consequence of growth. Most people are trivial, as is their thinking, so until the harvest sorts them out, they will always be in the majority.

But even with them, we are still doing some great education, it just gets buried under the crap sometimes. A perfect example is yesterday, we let the whole world know who the Mahdi is, possibly the most important revelation since announcing Christ had returned, yet it was overshadowed by personal squabbles, and trolls jumping out of the woodwork... Don't think for a second that that wasn't Satan trying to distract people away from our earth-shaking revelation, that is his way. While the world is coming apart at the seams, he has the masses focused on sports, celebrities and sitcoms... He is the master of distraction, and yesterday was a very blatant signature attack by him.

**** Oh Lord, but I need a sign!***

Matthew 16:4 "An evil and adulterous generation seeks after a sign; and a sign will not be given it, except the sign of Jonah."

His words were true, and we still fight that truth.

Jonah was thought dead because of his 3 days in the fish. Christ was thought dead because he was dead for 3 days. What he meant was that his "proof" should be sufficient enough.

**** Rejecting the Messiah***

It's called "Judgement Day". If your religious teachers neglected to inform you about it, then they are the false ones, not him.

You can be half boy scout and half Mother Teresa, but if you reject him, don't plan on being accepted by him.

Satan gives you doubt, in the face of the overwhelming proof you've seen... To doubt, given all that has transpired, isn't just a lack of faith, it's a lack of logic.

* It is all part of the final phase. They can't understand why money isn't important to him, just like the story in the Bible, when Satan offered Christ the world, and he refused him.

Our Lord already owns it all, so who can offer him anything?

* Christians call the Messiah the "Son of God", and a "god", Muslims call him a "Prophet of God", but it is the same person, just a different definition of what a "god" is.

* He is fused to Raymond's soul, but he has the ability to "influence others", meaning that he can communicate at a distance.

* But they can't point to any other period in history when all of this happened, and was in perfect unison with scripture.

And then of course the event in Jerusalem when he arrived, captured by many witnesses on camera, and even a government weather camera.

At some point, they have to be responsible for their faith, or lack of it... And let's be honest, faith in the few things he did 2000 years ago, should be a lot harder than what they are seeing now.

* We are able to, and unfortunately, out of 1,278 members, less than 1% are taking their responsibility seriously.

Judgement Day will not be pleasant for everyone.

...you now have over 1200 family members to shoulder the burden with you.

* A few people will be pulled out alive, but those are mostly the key people in service to the Lord, those whom are necessary for operations during the final phase of the harvest.

* Asset forfeiture laws in the U.S. allow police departments to confiscate property, money, vehicles, etc, WITHOUT proving in court that they were criminally obtained. These departments then keep or sell their pirate booty to self-fund, give themselves raises, get nice homes and cars... Complete corruption. There was a highway that made the news because cops were literally stealing cars from elderly people by claiming they couldn't afford to buy them on pensions, so they must be drug dealers. Followed by a bunch of cops suddenly owning nearly new Lincoln Town Cars.

And yes, many prisons in the U.S. are now privately run, and they have state contracts that demand near 100% occupancy at all times, meaning the judges are under orders to convict people to keep them full.

* "Indiana is the epicenter of evil", it is where Satan attacked the Holy Family, and it is the spawning ground of demons.

* Actually, the Christians understand something the earlier Rabbis declared in the Talmud, that Moshiach must first die, then return to completely fulfill the prophecy... So Jews are correct that he didn't "completely" fulfill it 2000 years ago, but his return does fulfill the prophecy.

In the second to the last Rashi (the foremost explainer of the scripture and the Talmud, printed in every text) in the book of Daniel, (12:12) he writes: "The Moshiach [King Messiah] will reveal himself and then be concealed.... and then revealed once more, and so it says in the Midrash on Ruth and in the poems of Rabbi Eliezer HaKalir."

So it states in the Talmud (Sanhedrin 98b), "If the Moshiach [King Messiah] comes from the dead he will be someone like Daniel." Rashi there explains this to mean exactly what it says; Moshiach [King Messiah] can come from the dead.

The great and holy scholar, Rabbi Chaim Midini, in his work Sdei Chemed (Peyas HaSadeh, Maareches "Alef", os Eyin), elaborates on this, and connects this Talmudic statement to an earlier one (ibid 98a) referring to the prophecy of Daniel: "If the generation is fortunate the Moshiach [King Messiah] will come from the dead, i.e. on "clouds of heaven," and then everyone will accept him with no reservations. But if not he will come from the living, i.e. riding on a donkey (lit. "chamor", which also means "physical" in Hebrew)".

And so agrees the Holy Chacham Yosef Chaim (The Ben Ish Chai) in his commentary on Sanhedrin 98 in his book "Ben Yehoyada", that Moshiach [King Messiah] can come from the dead. (he also explains the topic there of Moshiach ben Yosef and how he can also be Moshiach)

The Zohar in Parshat Balak (pg. 203b) states that the Moshiach [King Messiah] will have to "die" i.e. go to a higher spiritual level, and return again with the new level he has attained.

In the 13th. chapter of Shaar Hagilgulim (near the end) it states that after the Moshiach [King Messiah] arrives, he will be hidden in heaven like Moshe [Moses] was hidden on Mount Siani, and then he will appear again.

Finally the Abarbanel states in his book "Yeshuot Moshicho" (Part 2, topic 2, chapter 1) that "the Moshiach [King Messiah] will have to die in order to purify the generation...and he will wait in a spiritual state in 'heaven' until it he rises from the dead, as it says in the Talmud Sanhedrin (98b).

* Now let's break down the name ISRAEL into Hebrew words: ישראל

יש = 'Existence'

ישר = 'Straight' 'Honest'

ראל = 'Rael'

אל = 'God' 'To'

יש ראל = 'Existence Rael'

ישר אל = 'Honest God'

2Ch 7:14 if My people, upon whom My name is called, shall humble themselves, and pray, and seek My face, and turn from their evil ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

* *Bride of Christ*

Christians often erroneously brag that they are the "Bride of Christ", but where did they come up with this nonsense?

The word 'church' or 'congregation' in the New Testament is translated from the Greek word 'ekklesia' which comes from two words 'ek' meaning 'out' and 'kaleo' meaning to 'call', so Christians assumed it was they who were being called out, but ekklesia is a Greek feminine noun, so it is clearly being used to identify a women.

Further, ekklesia comes from Ephesians 5:22-33, and if you replace each instance of "church" or "congregation" with "called out female", it becomes instantly obvious that Christians have once again mistranslated scripture, and made it a tenet of their religion.

Ephesians 5:22-33

Wives, submit yourselves unto your own husband, as unto the Lord. For the husband is the head of the wife even as the Christ is head of the congregation {ekklesia – called out female}, and it is he who gives saving health to the body. Therefore, as the congregation {ekklesia – called out female} is subject unto the Christ, so let the wives be to their own husbands in everything. Husbands, love your wives even as the Christ also loved the congregation {ekklesia – called out female} and gave himself for her, that he might sanctify and cleanse her in the washing of water by the word, that he might present her glorious for himself, a congregation {ekklesia – called out female}, not having spot or wrinkle or any such thing, but that she should be holy and without blemish. So ought husbands to love their wives as their own bodies. He that loves his wife loves himself. For no one ever hated his own flesh, but nourishes and cherishes it even as the Lord with his congregation {ekklesia – called out female}: For we are members of his body, of his flesh, and of his bones. For this cause shall a man leave his father and mother and shall be joined unto his wife, and they shall be two in one flesh. This is a great mystery, but I speak concerning Christ and the congregation

{ekklesia – called out female}. Nevertheless, let each one of you do likewise, let each one so love his wife even as himself, and let the wife see that she reverences her husband.

As you can see, it really never made sense when they force "church" or "congregation" into a lesson about marital love.

And if it isn't obvious, the 'called out female' is the true "Bride of Christ" that is written of in the Bible and Zohar.

* People of the earth ..who are true ..deserve a better place to dwell within and they need to know that they are safe with the Lord and trust that what he is doing is for them and the earth's well being.

* **Why is Lord RayEl "hiding"?**

Many want to know the true heart and presence of the Lord ..this is it -

Right now the Lord stays at a distance while we are each being tested. Remember his time on earth at present is to judge all , cleanse the earth , and liberate the true. Some will soon understand what it is like to be within his presence. This will take effort. We cannot do it for you. He is choosing those with enlightened minds and noble hearts to walk the boulevards of the New Kingdom, and the adversity of the endgame, is what shows the true strength of those who are to be chosen. Make sure that you are passing the tests. His fairness is unique, in that what is deserved is given in proper measure... No more, no less. Do not fool yourself for He knows each heart He will not turn his head to anything that may cost you your salvation.

If you deny his promptings it will come with great consequence. He should not have to send you a personal message or home visit to let you know that you are not paying attention. His yoke is freedom, but he doesn't want to give the car keys to reckless children, only to responsible adults. He has commissioned the chosen to be his messengers of light. Judgement comes soon. Pay heed his words and the messengers that he has placed before you.

It is a universally known truth among those close to him that his wrath is great, but his love is far greater so at this time it is imperative to choose wisely. Those in his presence feel overwhelming joy and comfort... but If they are brought before him for a wrong doing, fear, dread, and often abject terror is what they feel down to their soul. Your time is coming soon... Please ...again I saychoose wisely.

• **THE LORD WAITED... – [October 4th, 2015](#)**

He gave the people of Israel until the end of Sukkot to repent, but they are a stiff-necked people. He was going to appear to them and forgive them, but they were not interested, so he must continue hiding his face from them, and allow them to feel his wrath (Deuteronomy 31:17).

Rabbi Glazerson discovered a Torah Code that said they would see The Lord during Sukkot, but it was upon the condition that they repent... They did not repent.

But the matrix that Rabbi Glazerson found, also spoke of how it was the Torah Code that would confirm The Lord.

During Sukkot, Cardinal [Richard Ruff](#) had begun an advertising campaign in Israel, showing the people who Lord RayEl is, so the Torah Code prophecy did come true:

- Israel saw Lord RayEl in Cardinal Richard's Torah Code video.
- The Torah Code confirmed Lord RayEl.
- Lord RayEl stuck to his position on repentance before showing himself to them (Deuteronomy 31:17).

* I'll let you in on a little secret.... Those starlets who spend their days being adored by fans, and their nights hopping from party to party, and from bed to bed, are NOT miserable. The media focuses on one or two minor incidents in their lives, to make the public feel self-righteous, as they look down their collective nose at them, while they go back to work in the coal-mines, and go home to their screaming brats, and their diaper clogged toilets.

The starlet experiences life, love, and personal growth, as she gains the wisdom that can only be gained through interpersonal experiences, while the jealous public, in an attempt to feel better about their poor life-choices, buys the tabloid magazines that lambasts their rich and fulfilling lives.

Trolling isn't reserved to the Internet, trolling is done in life when people throw scorn upon others who live better.

Living is no sin... Returning the "gift of life" unopened is.

* The UK has experienced limited chastisement, and to a degree will suffer still, but The Lord has not called for a UK exodus, because the UK is a central part of the New Kingdom, and still exceptionally favoured in His eyes.

But officially, after the faithful pilgrims are removed from Baja, and resettled at Mt. Zion, that will be the only guaranteed safe spot.

***Chicago has been made purposely symbolic of Jerusalem.**

We read in Psalm 46 (Complete Jewish Bible): There is a river whose streams gladden the city of God, the holy habitation of 'Elyon — God is in the city. It will not be moved — when daybreak comes, God will help it.

The Chicago River has streams that go through the City of Chicago.

Many bad things have tried to tear down Chicago over the years, but Raymond Elwood (RayEl) rose to help the city as Commander of the Chicago Guardian Angels.

So we see Chicago fit the city of Psalm 46, and in it we find the reincarnations of: Yeshua, Mary, Joseph and Mary Magdalene.

We see Our Lord lead an Army of Angels within it.

Just like 2000 years ago, we saw Our Lord falsely persecuted when those in power were afraid that he was growing too powerful.

When Raymond Elwood was brought into Masonry, he was made a "Prince of Jerusalem" in the Valley of Chicago, and then traveled East to "Medinah" Temple, where he entered the Ancient Arabic Order of the Nobles of the Mystic Shrine, and made his oath to Allah.

We see a number of prominent Biblical reincarnations come out of Chicago, including Barack Obama, Hillary Clinton, Rahm Emanuel, Oprah Winfrey, Jesse Jackson, Louis Farrakhan, Wesley Clark, just to name a few. And they rose again to power.

We see one of the largest Jewish population centers in the world.

Much of Jerusalem was destroyed by fire in 70 A.D.

Much of Chicago was destroyed by fire in 1871 A.D.

And several other similarities... Plus the six pointed stars and blue stripes of their flags.

Chicago is the center of almost everything this time around. It's sometimes jokingly called "New Jerusalem" because of the high number of Biblical characters that either reincarnated there, or are somehow connected there.

*** CURING ALZHEIMER'S / DEMENTIA ([July 23rd, 2015](#))**

You will not read this ANYWHERE else, but Lord RayEl loves his flock, and he doesn't want you to suffer needlessly, so I've been authorized to release this here.

Obviously death and disease will be eliminated in the New Kingdom, but until then, he wants to help you with this epidemic that is plaguing so many of your families.

For almost all the cases of Alzheimer's / Dementia, there is a very simple restorative treatment, and if the brain damage is not too severe, you will get your loved one back quickly.

What the medical community refers to as "Alzheimer's / Dementia", is in fact "Cerebral Hypoglycemia", or to put it in layman's terms, the brain is suffering from low blood sugar.

There are several factors that cause a person's brain to stop metabolizing sugar properly, but when it happens, the only way to restore it in a reasonable amount of time, is to greatly increase the patient's sugar intake.

Within a few days/weeks, the patient should be pretty close to normal, and able to care for himself/herself again.

IMPORTANT: Keep in mind that a blood test can show normal blood sugar levels, but the brain can still be starving for glucose, so a person may need to be at higher than normal blood sugar levels until the brain begins to normalize glucose metabolism.

The procedure is extremely simple, all you have to do is keep the patient well fed on mostly carbohydrates, and most importantly, liquid sugary drinks like "Snapple Juices", because the juices (NO "DIET" VERSIONS) have between 40-60 grams of sugar per serving, so it is one of your best options, unless you can find other drinks with similar sugar levels (read labels).

You **MUST** treat the patient like a person with chronic Hypoglycemia until they have stabilized, which could be days or weeks, meaning that if they become shaky, confused, nauseated, dizzy, agitated, etc., immediately give them a Snapple, and to be really safe, have them almost constantly sipping on one throughout the day, so their blood sugar doesn't rapidly drop.

If the patient's brain damage is not too severe, you may notice improvement the first day, but if the patient is a diabetic and on blood sugar lowering drugs, then you are going to be fighting a losing battle, and you will have to decide which disease to treat, because you can't raise and lower blood sugar at the same time. Exercise caution, because if hypoglycemia isn't treated carefully, rapid blood sugar drops can occur, and people have passed out and been hospitalized because they didn't raise their blood sugar back up quickly enough.

May God Bless Your Efforts In The Holy Name Of Lord RayEl.

Part 1 above addressed the sledgehammer approach to quickly restore your loved one's cognitive functions, but in PART 2 I'm just giving you a short article to read, that will help you understand glucose intolerance, and give you a way to maintain your loved one's health, after the initial stabilization.

http://www.whale.to/a/diabetes_shame.html

- There's a dirty little secret in the medical community. Diabetes, high cholesterol, high blood pressure... These are symptoms of the body trying to repair a problem, but "modern medicine" treats symptoms, not diseases.

When the body needs to increase its glucose metabolism, blood sugar rises to meet the need, but doctors call it "Diabetes", but as studies have shown, those with tightly controlled diabetes have shorter lifespans than those who do not.

Cholesterol is what the brain repairs itself with, so as people lower their cholesterol (and sugar), they also lower their IQ.

The human arterial system is a biological plumbing system, and if there is a blockage in an artery, the body increases blood pressure to force blood through the arterial narrowing, but when people take blood pressure lowering drugs, the body doesn't do that, and less oxygen gets to the brain, again causing lower IQ.

*** A TEACHING:**

When Our Lord came as Yeshua (a name derived from Yahweh), he came 'in his Father's name', so he was destined for rejection, but his time now is in his own name (RayEl is derived from Raymond Elwood), so they will accept him.

John 5:43 I have come in The Name of my Father and you do not receive me, and if another shall come in his own name, you will receive him.

If you check the NAS Exhaustive Concordance, "if" would be better translated as "when", meaning that Yeshua prophesied all of this 2000 years ago.

[Greek 1437 - if](#)

***WILL YOU BE ACCEPTED?**

500 MILLION PEOPLE +/- will be chosen from roughly 100 billion people (both living and dead who have ever walked the Earth), to live immortally in the New Kingdom.

Being a member of this congregation DOES NOT ensure your acceptance... Even some of the Clergy will not make it, so how good are your chances?

This congregation is not just some Facebook hang-out, it serves as the "Virtual Court of The Lord", where the people come before him, and demonstrate their value to The Crown.

Ask yourself, are you of any value to The Crown, or are you just another burden to society that must be filtered out of existence?... Don't answer yourself with ego, answer with actual accomplishments that would make you stand apart in that group of 500 million.

Right now the Clergy is embarking on what will quite possibly be their final and defining mission before the endgame... If you don't think you or your loved ones will make it into the 500 million, then I vehemently suggest you grab hold of the shirttails of one of the Clergy members, and help them in this mission in ANY and ALL ways possible!

***LOOK IN THE MIRROR AND ASK:**

1. What have I done to earn the gift of eternal life in Our Lord's kingdom?
2. How has my service and sacrifice compared to the Apostles and Saints that came before me?
3. How have I demonstrated that I am worthy of a crown?

Every day you should honestly answer these 3 questions.

These questions are not meant to hurt you, only to inspire you to be all that Our Lord asks of you.

This is the end... Nothing else matters now... No excuses.

Matthew 25:30 And throw that worthless servant outside, into the darkness, where there will be weeping and gnashing of teeth.'

With literally days remaining until September, ask yourself "Have I done enough for Lord RayEl, or will I be cast into the outer darkness as Matthew 25:30 warns?"

Our Lord offers you eternal life in the new kingdom... Shouldn't he be your first priority?

How much is eternal life worth?... Has he asked you for too much in exchange for such a glorious gift?... Or were you just too busy with temporary minutiae to give his needs your full attention?

Seconds left in the game... Fumble or run it in.

The race isn't over, until you cross the finish line.

***Why English? [August 29th, 2015](#)**

Zephaniah 3:9 For then will I turn to the people a pure language, that they may all call upon the name of the LORD, to serve him with one consent.

Let's look at the facts. English is:

- The language spoken by the greatest number of non-native speakers (250 million to 350 million non-native speakers).
- The most widely published language.
- The primary language of international travel and commerce.
- The language with the most words (Approximately 250,000 distinct words with roughly 615,000 definitions).

Now that last fact is the most important one, because language and intelligence are tightly connected, and more nuanced words means more ideas and creativity; it's a major reason England and the U.S. led the industrial revolution.

English was seeded and promulgated around the world, so that at this time it would become the universal language that would fulfill the Zephaniah 3:9 prophecy.

And you are a lot wealthier than the Hebrew slaves who walked the desert for 40 years on God's exodus order, so stop making excuses, and start taking responsibility.

Rabbi Amram Vaknin received the same warning Lord RayEl gave about a military chastisement of Israel.

According to Gil Nachman, Rabbi Amram Vaknin's spokesman, it is because the leaders of the generation "don't want to do teshuva (to repent). They aren't waking up. Hashem (God) wants to lead them in the right path. We all need to do teshuva."

- The Ladder – [September 13th, 2015](#)

TO THE EOC... I THINK IT'S SAFE TO SAY THIS NOW.

You guys haven't failed, you've been on a ladder, working rung by rung to the top. Perfecting your skills at each level of challenge, while preparing yourselves for the top rung.

BOTTOM: American Christians- They know almost nothing of their religion, yet they are sure that the two verses they've almost memorized, makes them superior to everyone else.

FIRST RUNG: Evangelist Preachers- They are pretending to be educated theologians, but their education consists of a "CliffsNotes" version of the Bible.

SECOND RUNG: Muslims- They are myopic in their understanding of God.

THIRD RUNG: Imams- They have slightly more education than the standard Muslim, but they are even more fanatically myopic.

FOURTH RUNG: Catholic Clergy- They are highly educated in their faith, but loyal to their church, not to Christ.

FIFTH RUNG: Jews- They are educated and expect a king, but they refuse to acknowledge that their king is the same one Christians and Muslims await.

SIXTH RUNG: Rabbis- They are supremely educated in their faith, but are arrogant in their lack of knowledge of ancillary faiths that give the full picture of their king.

SEVENTH RUNG: Royalty & Secular Politicians- They want to appease the faithful, who keep them in power, but they also lack the theological understanding to grasp the moment they are in.

TOP RUNG: Bankers- They manipulate the people on every prior rung... These puppeteers see the entire game board, control the pieces, and are fully aware of the expected outcome.

And now you are bonafide theologians and diplomats, able to do battle with any challenge in your mission... So you have not failed, you've made them aware while perfecting your skills for your throne.

- **The Bankers** – September 13th, 2015

- I'll tell you guys a secret about bankers... They know the secrets.

They have controlled governments since almost the beginning, financing all sides in a war to ensure they've invested in the winner... Why?... Because they print unlimited money, so they have nothing to lose, and everything to gain by supporting régimes all over the map.

They also understand how this is supposed to unfold, so arguably they are more expectant of, and excited for the arrival of Moshiaich than the rabbis, because in him they see their ultimate goal... A one world government, and a new world order.

If you've studied "The Protocols of the Elders of Zion", you already know this to be true.

[Audio book of - The Protocols of the Learned Elders of Zion \(Complete\)](#)

- And don't feel weird about this, it's part of the scripted endgame... They will offer money and influence, and we will use it properly, since as Our Lord states in the scriptures:

Haggai 2:7-8 I will shake all the nations, and the treasures of all the nations will be brought to this Temple. I will fill this place with glory, says the LORD of Heaven's Armies. The silver is mine, and the gold is mine, says the LORD of Heaven's Armies.

- And contrary to popular belief, they aren't all mustache twirling villains, they are some of the most brilliant and forward thinking people on the planet.
- They care about retaining power and influence, just like they have through all régime changes.

The new world will have an economy of sorts, and Our Lord doesn't see them as "evil", but instead as the most industrious hands behind the building of his kingdom on Earth.

They made people get out of bed every morning and go to school and work... They are the builders, so they have a reward coming.

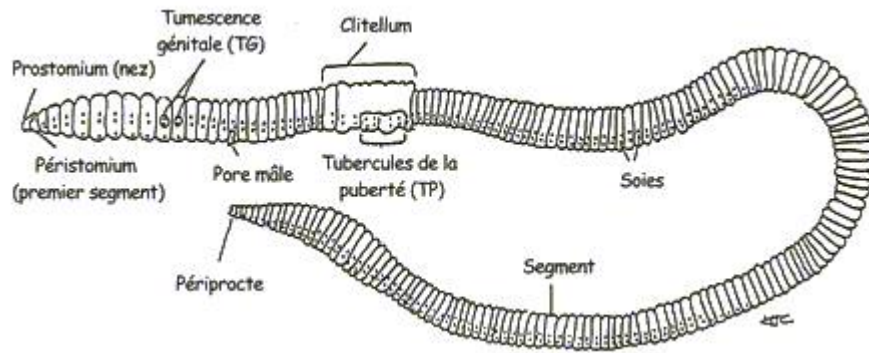

- (The Learned Elders of Zion) Oh they were evil and bad, and their machinations were completely self-serving, but the generations that have followed them, do not follow their founder's script with the same evil intent, they simply see it as a means to achieve "utopia".
